Christen Annex Talk Set

Suburban Realty Company of San Mateo has asked the Daly City council to meet to discuss plans for development of the Christen dairy ranch.

Carl Gellert, president of the realty company, stated: "We are prepared at this time to implement our program, and in this connection we desire to discuss this matter more fully with responsible representatives of the City of Daly City.

Mayor Joseph Verducci said "I'm happy to say the City Council is very happy to receive this offer from Suburban Realty."

City Manager Edward Frank suggested forming a staff committee to meet with the Suburban Realty representatives.

A general plan for development of the 900 acres of rolling hills, located just south of Daly City, bounded by Junipero Serra boulevard on the east and Skyline boulevard on the west, was presented recently to city and school officials.

Michael DeBernardi, who is meeting with citizen groups to explain the Christen Land Development plans, stated that considerable community interest has been shown on this proposed annexation.

He said the council is trying to bring the facts to the people as soon as they are available. DeBernardi made an open invitation to all civic and community groups interested in the annexation to call on him for a meeting to discuss the annexation.

Preliminary plans for the Christen Ranch property calls for a 1500 home residential area, a shopping center larger than Stonestown or Hillsdale Shopping Centers and high rise apartments.

The 84-acre shopping center will be in the area of the intersection of the Edgemar Freeway and Junipero Serra Freeway.

A high school and four elementary schools are tentatively planned to be located on the Christen lands.

Groups Urge Bayshore City 'Yes' on Annex

Several Daly City and Bayshore groups today urged a "yes" vote July 2 on the question of annexation of Bayshore City to Daly City.

The groups include the Daly City Chamber of Commerce, Bayshore Fire District, Bayshore School District, Bayshore Sanitary District, Dimond Public Utility District and Bayshore City Citizens' Committee.

Reasons for the "yes" vote were included in some of the following statements:

Bayshore taxes for fire protection will be doubled if Bayshore City remains unincorporated since a major portion of the assessed valuation of the Bayshore City Fire district is included in Brisbane's annexation. Bayshore City will receive no additional benefit from this probable increase in taxes; in fact, Bayshore fire protection may be impaired if Bayshore remains as it is.

Annexation to Daly City would mean additional services; police, strengthened fire service from Daly City forces, public works projects, additional planned recreational and library services. Bayshore City will not be absorbing a large bonded indebtedness, since Daly City is a pay-as-you-go community with less than one per cent of its assessed valuation in bonded debt.

Bayshore City Annex Vote Slated July 2

The last and most important step in the proposed Bayshore City annexation takes place July 2 when some 800 Bayshore City voters go to the polls to indicate whether they want to become a part of Daly City. The vote is expected to be favorable.

Should the July 2 vote be approved, only the Crocker Land Company land would remain in an unincorporated state.

Brisbane recently swept into its limits 10,000 acres of prime industrial land.

The annexation of 380 acres of Bayshore City lands was virtually assured last month at two hearings at Daly City hall, when less than a 50 per cent protest of land owners was received against the annexation.

Four large firms joined the Cow Palace in the original protests, however, two firms withdrew their protest.

The Cow Palace protest culminated in a Senate Bill being enacted by Senator Eugene McAteer at the request of the Cow Palace board of directors to exclude the building from the annexation.

The measure was defeated last Monday in committee.

If the bill had passed, then the Cow Palace, and the Midway Village a housing project in Bayshore City, would have been excluded from the annexation.

Bayshore City contains between $4½ to $5 million in assessed valuation, plus potention industrial land.

There are over 55 businesses in the area with a total sales tax value of $80,000 annually.

Bayshore City petitioned to annex to Daly City following moves by the city of Brisbane to annex some 15 square miles of industrial land, including parts of Bayshore City.

Members of the Bayshore City Citizens Committee and Bayshore City Sanitary District legally protested the move, which they said would raise their taxes.

Bayshore citizens are currently paying taxes to the Bayshore City Sanitary District and Fire District. They felt the merger of Brisbane with industrial properties on their west would take away valuable tax-paying properties and increase their own taxes.

This started the move on the part of Bayshore to annex to Daly City.

County Crusade Goal $600,000

Leonard J. Bardsley, 1963 campaign chairman for the United Crusade of San Mateo County, reported today that the County Crusade will have a total goal of $660,000. The figure represents a seven per cent increase over the total amount raised in the 1962 campaign and is San Mateo County's share of the $11,407,000 goal for the five-county United Bay Area Crusade.

Gas Explosion Leaves Family in Colma Homeless

A gas explosion tore the roof off the Sam Rizzo residence, 735 Stewart avenue in Colma, Friday, causing a fire that left the family of nine homeless.

Three Colma fire units and two Daly City units rushed into action and had the fire under control within 20 minutes. The window of an adjoining home at 731 Stewart avenue was blown in.

Colma fire chief George Riccomi said the biggest worry in quelling the blaze was shutting off the gas line. The way into the burning building was blocked by debris and the gas main was hidden in the lawn by heavy grass.

The gas leak was checked out at 7:58 p.m. following a report by a neighbor, James Jasper of Colma, of children setting off fireworks in the gas lines.

Broadmoor policeman George Carlson checked out the report and observed heavy gas vapor and hissing sounds coming from the garage. He entered the home and saw the family had evacuated.

Carlton emerged from the house and was about 20 feet outside when an explosion blew the roof off the garage and kitchen. The house was immediately enveloped in a mass of flames.

Daly City Will Choose Civic Center Site

The choice of sites for a new Civic Center in Daly City has been narrowed from seven to two, City Manager Edward Frank told the City Council Monday night.

He said a decision on a site may be made within the next two weeks. The present city hall, consructed in 1939 when the city's population was 10,000, is inadequate. Present population of Daly City is 52,000.

Frank said the new city hall may include county offices. The present police department, city manager offices and city clerk's officers are located in the old building at 75 Wellington avenue.

Officers of the finance department are adjacent to the city hall. The building department, engineering department, parks and recreation departments are located at the War Memorail Community Center on Hillside boulevard.

Mayor Urges Bayshore Vote

Mayor Joseph Verducci of Daly City made the following appeal to Bayshore voters:

"Bayshore Area Citizens:

Many citizens of your area have put in many hours of hard work preceding the election in complying with the proper legal procedures which may result in the annexation of the Bayshore area into Daly City. We hope that this coming Tuesday, July 2, you support these efforts and vote for the annexation of your area into Daly City. We hope that you become citizens of Daly City so that you will have all the rights and privileges of the second largest city of San Mateo County."

LARGE OVERPASS under construction at San Jose avenue and Alemany boulevard is the biggest of its type in the Southern Freeway section in San Francisco. This is part of a depressed 12-lane freeway. The north-south corridor includes the Junipero Serra Freeway in San Mateo County and Junipero Serra boulevard in San Francisco. The east-west corridor will include the future State Sign Route 1 Freeway (from the coast) and the Southern Freeway in San Francisco.

Preliminary Budget Ok'd

The Daly City council Monday approved a $3,300,000 preliminary budget for the 1963-64 fiscal year.

Finance director Joseph Arch estimated the budget will be $177,942 over the prior year, but that taxes will probably remain at $1.48 per $100 of assessed valuation.

Additional sales tax revenues, parking meter fines, motor vehicle in lieu taxes and gas tax monies will offset the increase in governmental costs, Arch said.

Partly due to an increase in the city's manpower from 206 to 217 employees, the 1963-64 salaries are to be $204,598 over the prior year. This is an estimated total salary increase from $1,408,330 to $1,612,928.

Cost of materials, supplies and services for the 1963-64 year are estimated to increase $65,479 over the prior year. Capital outlay costs are expected to be under the prior year's expenditures by $84,622.

A population census, made last year, showed the population of Daly City at 52,800, an increase of 8,000 persons over the 1960 census. This increase accounted for an additional $64,000 annually in motor vehicle and gas taxes for the city.

Resignation

John B. Drye tendered his resignation as a member of the personnel board, to be effective June 30. He has recently moved from the city.

Terra Nova Work Bids Are Opened

The Jefferson District board, in a single efficient hour Monday night, heard opening bids for the construction of the second increment at Terra Nova, reviewed the Westmoor water problem, and announced the tentative budget for 1964.

At precisely 8 o'clock Superintendent Morgan opened the sealed bids from the four bidding companies. The lowest base bid entered was $864,200, while the highest was $919,713. All bids were considerabley higher than the sum of $814,000 allocated by the state.

Fred Goodell, Jefferson District business manager said that the bids, now under advisement, will be negotiated with the state finance department. If additional funds are not allocated, Goodell said that new plans will have to be drawn with cut back on expenses while training the same amount of square feet of class rooms, adding that this will call for a completely new set of bids.

Westmoor Water Problem

Possible recourse to bond funds to meet costs of repairing the Westmoor hot water line leaks that lost 13,000 gallons per day was outlined in a letter from the district attorney of San Mateo's office.

According to the letters' advice, if the entire master plan for rehabilitating the heating system be considered, rather than only those repairs outlined for the cafeteria, the repairs would be more than maintenance and thereby might qualify for monies from the bond fund.

Business manager Goodell noted after the meeting, however, that the state holds "a sort of first mortgage on the bond fund" and that their approval for such use of the fund is necessary.

District Budget

The tentative budget for the 1963-64 school year, estimated at $4,315,800 is slightly more than 10% higher than last years' budget. Over 75% of the $485,000 increase will be spent in teacher salary increases an additional (25) teachers added to the districts faculty.

The scale now adopted for the coming year is the first adjustment in teachers' sal-

(Continued on Page 2)

INSPECTING the new transmitting and receiving power units installed at the city hall at 75 Wellington avenue in Daly City it electrician John Williams. The new communications system will provide 24 hour service to 17 police and 24 fire and public works vehicles.

D. C. Eye Donor Society Up for National Honor

The Dawn Society of 856 Belleview avenue in Daly City, a volunteer organization devoted to giving sight to the blind by the use of transplanted corneas, has been named a semi-finalist in the 1963 Lane Bryant annual awards national competition.

The society, which now has 12,000 donors on file, not only procures the corneas for transplanting, but also pays for the operation if the blind recipient is unable to do so. According to Dawn Society Seretary G. K. Hanson eyes have been sent as far as Montreal, Canada to bring sight to persons blind due to faulty corneas.

The citations signify that these semi-finalists are among those being actively considered for an Award recognizing their extraordinary volunteer service on behalf of the American community and to focus local attention on the public-spirited efforts of the candidates.

Two Awards of $1,000 each —one to an individual and one to a group—have been given annually since 1948 to encourage voluntary participation in efforts designed to benefit American homes and community life.

Final selection for the awards will be made by a panel of five judges. They are: Christian A. Herter, former secretary of state; Marianne Moore, writer; David Sarnoff, chairman of the board, Radio Corporation of America; John J. Sparkman, United States senator from Alabama, and John Hay Whitney, editor in chief and publisher of the New York Herald Tribune.

The awards will be presented on November 21, at the Plaza Hotel in New York City at a luncheon given in honor of the winner.

For Young and Old:

W'lake Library: Refuge For Summer Esthete

By Donald Doe

The summer months, a time of overcrowded beaches and crammed Cable Cars, are also months that bring increased attendence to the Daly City library system, according to city librarian Sam Chandler. And it seems that one of the main reasons for this jump in the use of library facilities is children.

There is a definate summer trend toward childrens' books, Chandler noted also, that as children's attendance climbs, so does that of parents. As a result, magazine circulation, including that of back issues, soars. The library now subscribes to all leading magazines from Harpers to Boys Life, Chandler said. In addition to these, the Wall Street Journal, the New York Times, and the Christian Science Monitor have been added.

"We are also experiencing a trend toward non-fiction, favoring the work of authors like Wallace and Vance Packard" Chandler stated, adding that TV and magazines seems to have induced this swing in popular tastes. In catering to this demand for information from liesure reading, the library has added the Dictionary of American Biography and the Encyclopedia of Science to their refrence shelves, and has replaced their editions of Britannica, Colliers, and the World Book.

Art Exhibits

In addition of these aquisitions, the library is holding an exhibit by two local artists at the Westlake branch. The exhibit, which will run through June, is made up of oils by Velma O. Simmons of Daly City and Carol Stromquist, an art teacher from San Mateo. Both artists are showing rather photographic landscapes. The July exhibit will contain the paintings of Gerald Dowty, another Daly City resident.

Westlake's interest in painting is also met by the library's collections of prints. According to Chandler, the reproductions of Winslow Homer and of Utrillo have proven to be the most popular, although the collection contains representative work from Bysantineart to the modern abstract expressionists.

Pedestrian Safety Award For Daly City

The American Automobile Association has announced that the City of Daly City has received a citation in the AAA Pedestrian Program Appraisal for not having a single pedestrian fatality during the year of 1962.

An appropriate certificate evidencing this achievement will be presented to the city in the near future.

The Association extended its congratulations to Mayor Joseph J. Verducci and the City of Daly City, the City Council, the Police Department, the Traffic Engineering Department and other agencies for the fine pedestrian protection record achieved during the past year.

The city also discussed a July 3 hearing before the San Mateo County boundary commission for the annexation of blocks 11 and 12 of the 75 Dollar Lot Homestead Association to the city of Daly City. Gus Pedemonte is the proponent for the annexation.

County Wins Road Dispute

The county of San Mateo last Tuesday won a legal dispute in Superior Court on the right to build a roadway between Westlake and Broadmoor.

Judge E. Scott ruled that the county's use for the 60-foot "White street" extension was more necessary than the Jefferson Elementary School distrct.

The project was apposed by school authorities who did not want a road to pass between the Garden Village and Benjamin Franklin schools.

The school district last year filed a condemnation suit against the San Mateo County strip of land that runs between the two schools.

District superintendent Richard Foster said the move by the county was felt to be hazardous to children and would prevent constructoin of more classrooms at Garden Village school.

Hearing on Ye Olde Fire House Delayed

The Daly City Council Monday continued for a week a hearing on revocation of a Dance permit for Ye Olde Firehouse, 2159 Junipero Serra boulevard, until legal representation can be obtained for the owners.

Police had lodged complaints against the establishments on charges of serving liquor to minors and also a complaint of an afterhours sale.

Fire House Manager Theodore Lambertson appeared before the Council to discuss the charges. Police Lt. Richard Simms also appeared to testify on the charges. They are to appear again at a July 1 council meeting.

Elem. District Considers Aid

State aid for the Jefferson Elementary School District might be required next year, the trustees were told Monday night, prior to adoption of the 1963-64 preliminary budget.

Supt. Richard Foster said that the elementary program can only carry out this year without greater aid from the state.

The district tax rate at $2.68 per $100 assessed valuation, is the maximum permitted. A higher rate would need a vote of the district residents.

In other action, the board approved the purchase of a parcel of land for expansion of Woodrow Wilson School. Fourtene of 17 parcels of land have now been acquired, leaving three backyards to be acquired. Total cost of land acquisition will be about $225,000.

Group Petitions Against School Reorganization

A Daly City committee fighting school district reorganization voted Thursday to petition the governor for a one-year extension to draft a master plan for unification in San Mateo County. The vote was taken at a reorganization hearing at Westmoor High School.

The group, which calls itself a Citizens Committee, is headed by Robert Crawford of 987 Wildwood avenue, Colma.

Crawford said he has petitions with over a thousand names of Daly City and Colma residents who oppose the proposal of the San Mateo County Committee on School Reorganization to unify five north county school districts into one.

Upper Klamath Lake is Oregon's largest body of fresh water.

LOVELY APPRENTICE—Claudia Smith, Miss Daly City of 1963, helps complete the new archway entrances to the San Mateo County fairgrounds Hall of Flowers. Several building projects designed to improve fair facilities are being finished in time for the 39th annual Fair and Floral Fiesta, August 2-10. Miss Smith will be one of 13 entries competing for the right to reign over the festivities as the official Dream Girl.

Double Event Set for All-Star Baseball Day

Daly City's annual 4th of July All Star Baseball Day will be acknowledged at two sites this year. In the past, the games and ceremonies were celebrated at Marchbanks Park. Due to the outstanding caliber of play displayed by the boys in all leagues, the Recreation Department of Daly City is planning a double event to give them the recognition they have earned. The midget league boys will display their talents in two contests—Marchbanks Park Diamond II—the team leading the National Division will meet an All Star team composed of boys from other National Division teams. Also at Marchbanks Partk, a team composed of All Stars from all teams in the junior league will meet an undetermined opponent on Diamond I. At the same time at Westlake Park, the team leading the American division will meet a team composed of All Stars from all the other teams in the American Division on the South Diamond. On the North Diamond, the All Stars from the Intermediate League will meet an All Star team from South San Francisco. This should prove to be an outstanding game as both communities boast several of the finest young baseball players in the State of California. Rock Kubowitz and Sam Manning have been selected as so-coaches of the Daly City Intermediate All Stars. They will be assisted by several of the league coaches—Jerry Plyer, George Brank, Dick Collins, Bill Feeley and Bruce Russell.

In the Junior All Star game, the popular Geroge Pedroni will act as head coach due to his work with league leading PAL Tigers. Pedroni will be ably assisted by such outstanding baseball men as Jim Davis, Bob Kramer, Frank Rodriguez and Ben Parodi.

Due to the close races in the National and American Divisions, teams and coaches cannot be determined until next Saturday. The PAL Cardinals and the OLM Leopards are fighting it out in the National League while a 3-way battle is being contested in the American League by the PAL Giants, the OLPH Golds and the Holy Angels Lions.

Fourth of July ceremonies will precede the games at both parks. The parents of all local baseball players as well as their friends and neighbors are invited to attend the ceremonies and games in recognition of the principles of Americanism and fair play displayed by the youth of our community. Park facilities are open to families desiring to picnic on the lawn before the games. It is also suggested that people owning portable seats bring them as there is a limited amount of seating available at the parks. Ceremonies will start at 1:45 p.m., July 4, at both Westlake and Marchbanks Parks.

FAWN DEER

Fawn deer lose their spots when they are two to three months old.

Boy Scout Troops Start Summer Camp

Daly City Scouts joined with over 400 boys from San Francisco on Sunday, June 23, in opening the 1963 season at the popular Camp Royaneh in the Coastal Redwoods near Cazadero. The 449 scout campers at Royaneh for the first two-week period are in charge of 92 Scoutmasters and Assistants, plus a central staff of 60 counselors and high school boys specially selected for their experience and aptitude to assist in the direction of the camp's varied program offerings.

Senior program directors at the camp include: Robert Anino, Activities Director; "Lefty" Sproul and Jerry McDonald, Scoutcraft Directors; Keith Monroe and Robert Dyer, Aquatics Directors; Harvey Michel, Handicraft Director; Jim Wilkins and Joseph Fleming, Diamond "R" Corral Directors; Steve Lawry, Nature Director; Protestant Chaplain, Rev. Marvin Rosback; Catholic Chaplain, Rev. Charles Prussing, S.J.; Business Manager, Clif Werden; Health and Safety Advisor, George Jones; Camp Physician, Dr. John Bradin; Commissary Director, Elmer Eckart; and Camp Directors Ralph Benson, Ford Carr, and William Dukelow.

Aquatic program at the camp includes instruction for non-swimmers and swimmers, with classes in lifesaving for the advanced Scouts. A fleet of 20 rowboats and canoes are available for instruction in rowing and canoeing, and for recreational uses in afternoons and evenings. Twenty-five riding horses offer opportunity daily for every boy in camp to be briefed on safe riding techniques and the care and handling of horses.

In addition, classes in horsemanship merit badge are held, with recreational trail rides available for a small additional charge and once-a-week all day rides with the stagecoach to the Russian River area. All boys are given familiarization instruction in archery and marksmanship, with qualifying instruction and merit badge classes for those with special interest in these sports. Corp. William R. Gantt, USMC, is in charge of the rifle range for the first two weeks.

A total of six weeks of camp will be held at Camp Royaneh, with the camp's summer season closing on August 3. Advance reservations indicate the balance of the season will be filled to capacity. In addition to San Francisco scouts, boys from Daly City, Colma, Brisbane and Bayshore—all part of San Francisco Council—use the excellent facilities at Camp Royaneh.

Among troops at camp for the first two weeks are Troops 11, 44, and 199, with 32 scouts with physical or mental handicaps, under the direction of W. E. Amy, 1379 11th Ave. These boys receive special assistance from the Camp Staff and participate in the program offerings according to their abilities.

Other troops, with their Scoutmaster and the number of boys at camp include: Troop 353, Stan Altshuler, 930 Hilgate Dr., Daly City, 20 scouts.

Democrats Discuss Hiway Beautification

Pacifica freeway beautification vs. signs was the subject of a meeting held by a special action committee of the Pacifica Democrats the evening of June 18, 1963. The purpose of the committee is to inform the public of the necessity of the adoption of a sign ordinance by the City Council. Without this ordinance the State will not landscape the new freeway.

The committee's plan of action is to inform the people of Pacifica and various local organizations in an effort to gain their interest and support, and to inform their memberships of the importance in the adoption of a sign ordinance. The ultimate purpose is to force a prompt action by the City Council to make sure that the new freeway will be landscaped by the State.

Failing a prompt action by the City Council, it will be the purpose of this committee to circulate a petition demanding that the matter be submitted to the voters.

Any person or organization having an interest in the adoption of a sign ordinance by the City of Pacifica should contact Mrs. Barbara Young, EL 9-3558, or Mr. Chris Bonner, EL 9-0904.

Adult Lob Ball League

In the hope of reaching more individuals interested in playing softball, the Daly City Recreation Department is planning to start a local Lob Ball League.

Lob Ball is a game designed for those individuals not able to maintain the top physical condition and high degree of skill necessary to participate in the usual high pressure type of league. Lob ball offers all the thrills and competition of the diamond while minimizing the hazards.

The game also gives the infielders and outfielders greater opportunity for participating. This is due to the rule that the ball must rise above the shoulders of the batter when delivered by the pitcher.

More players hit the ball providing more fielding chances for the defensive team. Lob ball never becomes a game of catch between the pitcher and the catcher as often happens in Class A or B leagues.

There is also less chance for injury to the players due to the elimination of the bunt. Lob ball leagues have proven highly successful since their introduction in the State of California. Should they continue to increase at their present rate, they will soon be the most popular form of baseball participation in the United States.

All clubs, churches and other local organizations are invited to enter a team in the Daly City Lob Ball League. Should you be interested in entering a team, contact the Recreation Department immediately at PL 5-0850, Ext. 18.

Terra Nova

(Continued from Page 1)

aries in two years and, according to Superintendent Morgan, makes the Jefferson District scale "comfortably competitive, but only that . . . the scale is about in the middle of the salaries offered in the area."

The new scale calls for a minimum of $5,475, offered to college graduates with no graduate work to $10,675 for an AB plus 75 units of completed graduate courses, (approximately 45 units are needed for a Masters degree). Comparative sacles for aSn Mateo, San Francisco, and San Jose are: $5,400-$10,950; $5,875-$10,600; $5,200-$10,020, respectively.

TENNIS AND ARCHERY CRAFTS
By Dave Ashworth

The archery attendance and enthusiasm has been tremendous. The youngsters have learned the basic movements of stringing and drawing a bow. This week many young people of our city are firing at targets for the first time in their life. This is an experience that will long be remembered.

Also not to be left behind, the Daly City Recreation Tennis program has started on a very high note. The sign-ups have been huge so that another hour has been added for instruction purposes. Over 100 youngsters attended the first session at Westmoor High School and since then have been broken into age groups for more thorough instruction. Maybe a future Davis Cup Champion is in one of these groups.

Dutch Boy. Nalcrete

If your home is brick, stucco or concrete, or has asbestos shingle siding, give it the protection and beauty of Dutch Boy NALCRETE. This new and different finish has a tough film that keeps water out, yet "breathes" to prevent peeling or blistering. Rain cleans it off, refreshes the handsome colors. So easy to apply, too—with brush, roller or by spray.

WESTLAKE JEWELERS has added another department to its store. Frank Derian, local horologist, has joined Westlake Jewelers to manage the watch repair and jewelry repair department. Frank has 16 years' of experience in this field and enjoys this work as a hobby as well as a vocation. Everyone is invited to visit the new jewelry manufacturing department in the rear section of the store, take a look and welcome Frank to his new position.

Gardener's Checklist

1. Use an iron compound on gardenias if their leaves show signs of yellowing.
2. Feed lawns once a month with a lawn fertilizer.
3. Another planting of corn can be made. Likewise squash and beans for your late summer enjoyment.
4. Cut faded delphiniums before they have a chance to set seed. You should get another bloom still from delphiniums.
5. Roses like food every month or six weeks until mid-September. Their fall bloom depends on the care they get now.

It's News To Vets

Q.—I will retire soon but my wife will be employed. Will her income be considered in determining my entitlement to veteran's pension?

A.—Yes, your wife's income will be considered under the law. The first $1,200 of your wife's annual income will be exempt, but any amount over $1,200 will be considered in addition to your own income.

Q.—Do veterans receive any preference in Federal government employment?

A.—Veterans of wartime service separated under honorable conditions receive a five-point preference when they apply for Federal employment. Veterans of peacetime service alone must have been in a campaign or expedition for which a badge or service medal is awarded to qualify for this five-point preference. Veterans holding the Purple Heart for combat wounds or who presently have some service-connected disability receive an additional five points.

Q.—I am a Korean Conflict veteran who was released from active duty in May, 1957. Am I still entitled to educational benefits under Public Law 550, the Korean GI Bill?

A.—Public Law 550 requires that the veteran enter training within three years after release from active duty. Since you have passed this deadline you are no longer eligible for the benefit.

Watering Slopes

Sloping lawns often go thirsty in spite of frequent watering. The reason, of course, is that the water runs off before it has a chance to sink in to any degree. The California Association of Nurserymen suggests several remedies for this situation. First and best is a canvas soaker which can be put at the top of the slope and left to dispense water so slowly that it sinks in before it runs off. Secondly, mist sprinklers are helpful for much the same reason. Lacking either of these, try watering in spurts—soaking, then holding off for an hour, then soaking again, and so on until the water works itself in.

SLOWING DOWN THOSE FAST STUDENTS

We all have our problems.

At the University of Miami, according to the National Automobile Club, the problem has been students who just persist in driving too fast along the campus roads. Signs couldn't slow them down. Officers couldn't slow them down. Engineers couldn't slow them down.

And those engineers really tried. They built sizable asphalt bumps into the asphalt roads. But the students just kept roaring along, staggered into class with knees bruised but unbending, heads bloody but unbowed.

One owner of a small foreign car started coming into class late. His excuse? His underpowered little car had a tough time getting up and over those great big bumps.

"SAVE CHINATOWN AND NORTH BEACH" PLANS

Chinatown and North Beach, two of San Francisco's most colorful neighborhoods, would be preserved and enhanced under the program proposed by a committee of leaders of the two areas.

The proposals include erection of a decorative arch over Grant avenue at the southern entrance of Chinatown; conversion of Grant avenue into a pedestrian mall; a "Marco Polo" bridge over the busy intersection of Grant avenue, Broadway and Columbus avenue, where Chinatown meets North Beach and a large parking garage near Columbus avenue and Stockton streets.

PAL Tigers Have Power

The PAL Tigers showed the power that holds them in the top spot this week in their meeting with the OLPH Falcons. Telvis Jones hit three for three, one a homerun. Gregg Agar hit three for four, including a double and a triple. Lonnie Alfano hit two for four with five RBIs as the Tigers rambled over the Falcons, 16-8.

The OLM Saints also took a close one from the Falcons. Jim Davis came on in the relief role in the fifth inning with runners on first and third and one out to strike out the next two batters. He pulled the same trick in the sixth and seventh innings to KO eight batters in a row. Frank Lawson, OLM outfielder, was the big run producer for the day with two for three and two RBIs.

Ron Mini tossed a three-hitter to defeat the Skyline Plaza Merchants, 5-0. Mini brought his strikeout total to 153 to date. Irv Jones hit a homer to help the cause.

Proclamation

Whereas recreational boating is playing an increasingly important part in the lives of millions of Americans who look to it as a means of maintaining physical vigor and mental alertness; and

Whereas the resulting increased use of our waterways has caused a corresponding increase in safety problems; and

Whereas this healthful outdoor activity can be enhanced and loss of life and property reduced by adherence to safe boating principles; and

Whereas the President of the United States has designated June 30th to July 6th as National Safe Boating Week and has urged all persons, organizations and Governmental agencies interested in recreational boating and safety afloat to publicize and observe National Safe Boating Week;

Therefore, I Joseps J. Verducci, Mayor of the City of Daly City, San Mateo County, do hereby declare and designate June 30th ot July 6th as Safe Boating Week in the City of Daly City, and do urge all our citizens to participate in the observance of the promotion of safe boating principles sponsored by the American Red Cross, the National Safety Council and many other boating and social welfare groups throughout the United States.

In Witness Whereof, I have hereunto set my hand and caused the Seal of the City of Daly City to be affixed this 25th day of June, 1963.

Joseph J. Verducci,
Mayor of the City of Daly City.

The concept of natural parks "for the enjoyment of all the people" was originated in the United States.

"MEMOS" FROM YOUR Stylist

By MR. ROBERT

Here are a few facts concerning scratchy, non-catchy Erythema solare — better known as sunburn. A leading dermatologist had this to say:

"Sun ages the skin. Too much of it over long periods destroys the elastic fibers, or connective tissues, and they become degenerated.

"These fibers are like rubber bands and hold the skin taut. If you overdo it, even with a tan, the rays get down into the connective tissues."

Forgetting skin and sun for the moment, let's speak of your hair. Is it a problem—a lank, limp, spititless problem? Actually, you don't have a great problem at all. There are always the excellent facilities and stylists of MR. ROBERT'S SALON OF BEAUTY, 198 School St., to serve you. Try us. Phone WY 2-1717.

THIS WEEK'S HELPFUL HINT: Try refrigerating birthday cake candles the day before using; they will burn slower and with even glow.

Taxable Sales Reach All-Time High

Taxable sales in California continued to display vigorous growth in the fourth quarter of 1962. The State's population forged ahead of New York's during this period. Natural increase plus immigration added 617,000 residents, bringing the State's population to 17.4 million by the end of 1962. Rising employment and income levels combining with this population growth created an unprecedented demand for goods and services.

Under the impetus of heavy automobile purchases and Christmas buying, transactions in the fourth quarter subject to the sales and use taxes climbed to an all-time high of $7,332,631,000. This represented a gain of $606 million or 9 per cent over the record sales reported for the final quarter of 1961. These sales brought the total for 1962 to $25,969,082,000, up 8.3 per cent from the prior year.

Self-assessed state sales taxes levied on fourth-quarter transactions totaled $219,978,930. This amount was augmented by $3,350,400 of board-assessed state taxes, interest, and penalties on unreported or underreported transactions occurring prior to the quarter under review and by $298,096 of sales taxes withheld by the State Controller from motor vehicle fuel tax refunds on gasoline used for nonhighway purposes.

These additional revenues brought the amount of state sales taxes to a fourth-quarter record of $223,627,426, and a calendar-year high of $793,331,174. The board also collected $257 million of local sales taxes in 1962 for cities and counties.

Taxable sales figures for the quarter under review do not include an estimated $472,500,000 spent in California on the purchase of 1,568,400,000 gallons of high-test motor vehicle fuel for highway use, taxed separately by the State at 6 cents per gallon, and $1,200,000,000 spent on food for off-premises consumption. These are the two principal types of retail sales exempt from sales and use taxes.

All-Arabian Horse Show At Cow Palace

This year's All-Arabian Horse Show, scheduled for the Cow Palace in San Francisco on August 3 and 4, will be staged as a benefit for the Easter Seal Society for Crippled Children and Adults of five Bay Area Counties, it was announced today by James A. Myers, Oakland, President of the Sponsoring Arabia Horse Association of Northern California.

Nearly 400 exhibitors are expected to enter competition in performance and breeding classes for prize money ranging as high as $500. Proceeds of all ticket sales for the performance classes on Saturday (August 3) afternoon and evening and Sunday (August 4) afternoon will be turned over to the Easter Seal Society units to finance services to the physically handicapped, Myers said. Admission to both morning breeding class sessions will be free.

Dr. Mudrick Rites Today

Funeral services are to be held at 11 a.m. today at the Richard Pierce Funeral Service in Napa for Dr. Charles J. Mudrick, 42, who died Saturday at Kaiser Foundation Hospital in Vallejo.

Dr. Mudrick practiced in Daly City ten years before coming to Napa in 1962. He was associated with Permanente Medical Group in Napa.

Dr. Mudrick received his elementary and high school education in San Francisco and attended the University of California and San Francisco medical schools. He is survived by his wife, Evelyn, and three daughters, Marilyn, Carolyn and Rosalyn.

Lambda Tau Delta Holds Pot Luck

San Francisco branch of Lambda Tau Delta National Sorority gave a 'Pot-Luck' dinner at the home of Mrs. Dorothea Keenan, of Westlake, uJne 21.

The honorees of the occasion were three of its members who are planning to attend the national convention in Ft. Lauderdale in July.

They are Helen Thaler, president of the San Francisco branch, together with Frances Cooper and Helen Rattazzi. Eighteen members and two guests attended.

Tiny suitcase matchboxes with name tage were the place cards and sequin and pearl decorated shells were used for nutcups.

Names of different cities visited enroute, and tiny airplanes decorated the rooms. The three travelers were each presented with a nut figurine carrying a small suitcase.

A Fort Lauderdale game was played to climax the evening.

Little Brown Church Women Plan Dinner

In a switchover from their regular monthly merchants luncheons, the ladies of the Women's Association of the First Prsebyterian Church of Pacifica . . . better known as The Little Brown Church, will give a dinner htis coming Friday evening June 28.

Mrs. Abraham (Agnes) Guenther and Mrs. Paul (Rose) Haynes have been named chief chefs of the event and announce that the menu will consist of roast tom turkey and all the fixins. The dinner will be served at the church in Sharp Park from 5 to 8 p.m. Everyone will be welcome and proceeds will be used to further various church projects.

Special Rec Event Called Big Success

The first Daly City Recreation Special Event of the year was a splashing success. Last Thursday and Friday 360 excited boys and girls participated in a Play Day and Swim at Jefferson High School.

Under the direction of Youth Supervisor Alan Boyd, the youngsters displayed many emotions as they batted, kicked and ran through a series of physical activities. This was followed with a big splash in the Jefferson Pool. Following the afternoon of fun and soaking, the children returned home quite, tired and happy.

Floyd Gonella Hired as T. N. Dean of Boys

In an executive session Monday night, the Jefferson High School District Board approved the hiring of Floyd Gonella as dean of boys at Terra Nova High School and of Charles Yore as district purchasing agent.

Gonelal received his A.B. from San Francisco State in 1956, receiving a masters degree the following year. Now enrolled in the doctoral program at the UC at Berkeley. Gonelal holds both a general secondary and secondary administrative credential.

Joining the Jefferson district staff at Westmoor seven years ago, he then moved to Terra Nova when that school opened, heading the physical education department.

To be connected with business manager Fred Goddell's office, Yore, 50, comes to the Jefferson district after 27 years with the Wilson Sporting Goods Company. Yore was merchandizing manager, bid and control department, for the firm, which, according to several sources, is contemplating moving their distribution center to the mid-west. A graduate of St. Mary's, Yore is experienced in both purchasing and data processing.

PASSENGER CARS

Sixty per cent of the world's passenger cars, according to the National Automobile Club, are in the United States.

REASSIGNED — Airman Allen D. Clayton, son of Mr. and Mrs. Clark B. Clayton of 1139 Rosita Road, Linda Mar, Pacifica, Calif., is being reassigned to Keesler AFB, Miss., for technical training as a United States Air Force radio and radar maintenance specialist. Airman Clayton, who enlisted in the Air Force a short time ago, has complete his initial basic military training here. The airman, a 1961 graduate of Modoc Union High School of Alturas, Calif., attended Modesto (Calif.) Junior College.

CHILDREN'S ZOO NEXT FOR SAN FRANCISCO

A children's zoo, featuring small animals, many of which youngsters may pet and play with, is being planned by the San Francisco Zoological Society in connection with its local zoo.

The project was made feasible when the recreation and park commission turned over to the society for operation the Storyland and elephant train concessions. The society now operates all zoo concessions.

Westmoor High Girl All-State Representative

Sherry Rosen has been elected Coroner & Public Administrator of the mythical County of Bidwell at the 20th annual California Girls State now in session at University of California, Davis campus.

Girls State is a youth training program in citizenship and Americanism sponsored by the American Legion Auxiliary. The 544 girls attending from throughout the state are being instructed in all phases of government at state, county and city levels during the week long exercise. The Girls State Citizens are selected by their school administrators for their qualifications in leadership, scholarship and interest in government. Mrs. Leon Farrand of North Hollywood is Director.

The Girls State program received the George Washington Medal of Honor from the Freedom Foundation at Valley Forge for outstanding achievement in bringing about a better understanding of the "American Way of Life."

Sherry is the daughter of Mr. and Mrs. Samuel J. Rosen is a representative of the Westmoor High School, where she will be a senior next fall. She is sponsored by the Unit No. 824, District No. 26, American Legion Auxiliary.

ALIFORNIA LEADS NATION

California leads the nation in a number of things now, and not the least of these is the matter of motor vehicle registration.

In 1962, according to preliminary estimates, we had 8,493,000 motor vehicles registered, New York was second with 7,370,000, and Texas, Pennsylvania, and Ohio each had more than 4,000,000.

Smallest number of registrations fell to Nevada, Vermont, and Alaska, each with less than 200,000 vehicles.

The grand total for the United States? Some 78,631,000.

Sunday Afternoon Concert In S. F.

"Midsummer Music Festival" in Stern Grove will present four Sunday afternoon programs in July, each starting at 2 p.m., admission free. The programs:

July 7—Lola Montes Spanish Dance Group.

July 14—"Song of Norway," presented by Oakland Light Opera Assn.

July 21—San Francisco Symphony Orchestra with opera audition winners.

July 29—"Mikado," presented by the Lamplighters.

Stern Grove is situated at 19th avenue and Sloat boulevard.

James L. Monize In Service Company

Marine Private First Class James L. Monize, brother of Mrs. Barbara Sanchez of 889 Linda Mar boulevard, Pacifica is serving with Headquarters and Service Company, First Battalion of the Fifth Regiment, First Marine Division at Camp Pendleton, Calif.

Members of the Fifth Marines, one of three infantry regiments in the First Division, and the most decorated of Marine Corps units, are entitled to wear the fourragere as part of their uniforms. This tassled shoulder loop was awarded the regiment by France for World War I heroism.

The Fifth Regiment is engaged in a continuous training program covering all phases of combat operations from amphibious exercises on Southern California beaches to cold weather training in the Sierra Nevada Mountains.

This constant training helps insure the high degree of preparedness vital to the Marine Corps in fulfilling its role as the nation's "Force-in-Readiness."

WORN UNIVERSAL JOINTS

Worn universal joints, according to the National Automobile Club, give out a peculiar knocking noise when the car is coasting or when the rear wheels are driving the engine.

Employment Of Indians Told To Lions Club

A quiet program of integrating Indians into the work force of the Bay Area is taking place every day, according to Palmer Olander, field employment assistant officer of the Bureau of Indian Affairs. Olander spoke before the Daly City-Colma Lions club last Wednesday.

Purpose of the agency is to assist Indians coming from reservations in finding employment suitable to their talents. According to Olander, about 300 men and women come to San Francisco each year and are placed in jobs.

Two steps are taken by the office. An orientation program familiarizes the Indian with life in the Bay area, and determines his or her suitability for employment. The office then contacts potential employers who may have jobs on the basis of the applicant's capability.

Between 9 and 15 thousand Indians now live and work in the Bay Area, and according to Olander's observations are doing as well as any other group.

Ordinance No. 578

AN ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

WHEREAS, Ordinance No. 294 of the City of Daly City is the basic zoning ordinance of the City; and

WHEREAS, a petition has been filed to change zoning in the following described property and thereby to amend said Ordinance No. 294; and

WHEREAS, all necessary proceedings both before the Planning Commission of the City of Daly City and the City Council of the City of Daly City, as required by the Government Code of the State of California, have been duly and regularly conducted; and

WHEREAS, the City Council finds that public convenience and necessity and the general welfare of the City of Daly City require the following change of zoning classification be established;

WHEREAS, the City Council further finds that the proposed zoning will not be detrimental to health, safety, morals, comfort or general welfare of the City of Daly City and is not designed for the exclusive benefit of the applicant for said zoning.

NOW, THEREFORE, Ordinance No. 294 of the City of Daly City is hereby amended so as to change the zoning classification of that certain property located in the City of Daly City, County of San Mateo, State of California from R-1 to R-3 District.

Said property is described as follows:

Commencing for reference at the intersection of the centerline of South Mayfair Avenue with the easterly boundary of Westlake Unit No. 3B, as shown on that certain map entitled "Westlake Unit No. 3B, Daly City, San Mateo county, California," which Map was filed in the Office of the Recorder of the County of San Mateo, State of California on October 2, 1956, in Book 46 of Maps at Page 14; running thence along said centerline of South Mayfair Avenue North 69° 42' East 264.30 feet; leaving said centerline South 20° 18' East 175.00 feet; North 69° 42' East 169.69 feet to the POINT OF BEGINNING thence from POINT OF BEGINNING North 69° 42' East 100.00 feet; South 20° 18' East 308.06 feet to the northeasterly line of the lands of Lake Merced Golf and Country Club; thence along last said line North 78° 49' 40" West 118.71 feet; leaving said line, North 6° 37' West 5.25 feet; North 20° 18' West 240.98 feet to the POINT OF BEGINNING.

This ordinance shall be published once in The Record, a newspaper of general circulation published in the City of Daly City, California.

Introduced this 13th day of May, 1963.

Passed and adopted as an ordinance of the City of Daly City the 24th day of June, 1963, by the following vote:

AYES: Councilmen: DeBernardi, Dennis, Pacelli, St. Clair, Verducci.
NOES: Councilmen: None.
Absent: Councilmen: None.

Anna Ohlendorf
City Clerk of the
City of Daly City

APPROVED:
JOSEPH J. VERDUCCI
Mayor of the City of Daly City

INVITATION FOR BIDS ALTERATIONS TO HEATING SYSTEM WESTMOOR HIGH SCHOOL

Notice is hereby given that the Jefferson Union High School District, Daly City, San Mateo County, California, will receive bids for furnishing all labor, material, transportation, plant and services for the construction and completion of the alterations to the Heating System for the Westmoor High School, located at 131 Westmoor Avenue, Daly City, San Mateo County, California, each bid to be in accordance with the plans and specifications and other documents now on file with the Board of Trustees of the Jefferson Union High School District, Daly City, San Mateo County, California, and the offices of the Engineer, Buonaccorsi and Murray, 350 Mission St., San Francisco, California, where they may be examined and copies obtained by Heating Contractors with a C-4 and/or a C-20 license as licensed by the California State Contractor's License Bureau, upon deposit of a certified check in the amount of ($25.00) twenty-five dollars for each set of documents.

Bidders are hereby notified that the wage scale prevailing in this area has been adopted by the School District and set forth in the contract documents as the rate which shall be applied to this contract.

Each bid shall be made out on a form included in the specification and shall be accompanied by a certified or cashier's check or a bid bond for at least ten (10) percent of the amount of the bid made payable to the order of the Jefferson Union High School District, Daly City, California; shall be sealed and filed with the Board of Trustees, Jefferson Union High School District, 375 South Mayfair Avenue, Daly City, San Mateo County, California, on or before Thursday, July 11, 1963 at 2:00 p.m., where it will be opened and publicly read aloud.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract.

The Board of Trustees of the Jefferson Union High School District reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw his bid for a period of 30 days after the date set for the opening thereof.

San Francisco and Kenneth Lee, 709 Larch Avenue, So. San Francisco. Official USN Photo.

Crittenton Home:

Mongan Cites Betrayal To Un-Wed Mothens

Mr. John Mongan, principal of Jefferson High School, was the speaker recently at the season's final meeting of the North Peninsula Circle of the Florence Crittenton Home.

Mr. Mongan is very well known throughout the county for the many years of service that he has given to youth.

He is a former member of the San Mateo County Adoption Board, the County Committee for Un-Wed Mothers, and advisor for the Child Guidance Center. As a high school principal, he is very experienced in helping teenagers and their families with problems.

He told the members of the Circle he felt the un-wed mother had been betrayed three times. First, the rejection by their parents in their own homes. Second, by the male involved, and third by society itself.

From his experience in counseling these girls, he found that a great majority of them were well set toward this path from early childhood. He feels that the older generation, so quick to pass judgment, would do well to remember their own youth.

Although the North Peninsula Circle will be adjourned for the summer, they will still be busy with many activities for the Home such as fund-raising socials in their own homes, staffing of the Still-Stylish Shop in San Francisco and picnics for girls from the home.

The Circle now has a paid membership of fifty-one, and plan their next meeting on September 18, when they will swing into action along with Circles from other bay area communities to support and help in every way the Florence Crittenton Home of San Francisco.

Officers of the new Circle include Jean Markovich, chairman; Mel Bocci, vice-chairman; Carol Hutchins, recording secretary; Marie Poggio, treasurer, and Kay Gie-

CARTOONS

By Robert Brown

The annual summer cartoon program started last week with Bugs Bunny and his firends. The Holywood production drew 1540 wide eyed youngsters. The cartoons will be changed weekly.

NATIONAL PARKS

Close to 28 million persons visited our national parks in 1961.

It's SPARE TIME

By Jim Grealish

A new feature of this year's Daly City Police Atheletic League Benefit Bowling Tournament is the awarding of trophies for team prizes. Any five bowlers competing on a pair of lanes may compete for the team trophies by registering before bowling, at no additional cost.

June Tarczy and husband Gene were back on the "strike beam" last week as June took first place in the Friday No-Tap Sweeper with a total of 831 while Gene led the Southgate Mixed Fives with a 183 game and 545 series. Anita Del Campo took second place in the No-Tap with Flo Dillon taking home the third prize. Leading lady in the Southgate Mixed Fives was Polly Tate with her 184 game and 485 series.

In the Golden Gate Handicap, Dick Charon took top honors for the week with a 194 game and 579 series.

June Lyon and Joe Ferrara joined forces to take the week's leadership in the Ball and Chain Mixed Fives as June rolled 178-488 while Joe posted a high game of 189 and a 532 series.

Rae Levy led the Thursday morning B'nai B'rith Ladies' League as she posted a 158 game and 430 series.

Jack Glass, Jr. was the high roller in the American Masters 900 Scratch League as he rolled a 588 series with a high game of 208.

In the Starlighters League Monday night Judy Nelson led the ladies with a 211 game and 558 series.

Paul Tung led the Sleepers Handicap for the week with a 212 game and 519 series.

Country Club Handicap leader of the week was Chris Duff who rolled a 192 game and 547 series.

Bill Johnson, Sr. led the 838 Classic for the week as he bowled a 581 series on a high game of 224.

Norma Baldelli and Rich Merlo were last week's winners in the Wednesday night 3-6-9 Mixer as Norma led the ladies with 681 while Rich topped the men with 680. Second place went to June Tarczy for her 653 series and husband Gene for his 673 in the men's division. Another large turnout is expected next Wednesday at 7 p.m.

Teams are being chosen for the "grudge match" of the year between Judge Frank Blum's "dispensers of justice" and a team of other judges from the southern part ow the county. The occasion will be a part of the Fifth Annual Daly City Police Athletic League Benefit Tournament now in progress.

Helen Noone joined the select group of ladies who are members of the Westlake 600 Club when she led the Ladies 650 Classic League with a 601 series on a high game of 213.

Carol Meier was a repeat leader in the Stonestown Emporium League last Tuesday night, this time with a 195 game and 445 series.

Another repeater was Joe Barros as he topped the 815 Scratch League with a 208 game and 574 series.

The daytime leagues have switched to trio teams for the summer and it seems that the scores are improving. In the Tuesday Trio, Jean Magliano led the ladies with a 156 and 431 while in Wednesday morning's league Martha Lauer rolled 167 and 472 to take top honors. Thursday before lunch found lEena Mould leading the Trio with 181-456 while Mary Nelson led the Early uQads with 200-518.

In the Early Quads League not one, but two ladies converted the extremely difficult 6-7-10 split as Jean Kuc and Etherl Scrievers performed the trick.

Serra Bowl News

Serra's "300" SCRATCH DOUBLES league for ladies had its share of good bowling this past week. Rose Intaschi posted the high game of the day with a 221 midway in her 483 series as her team No. 7 swept all three games from team No. 8. Ellie Torrigino took top series honors with a 205-557 trio for team No. 6 who defeated team No. 10 by a two to one margin. Jo Record blasted 214-494 for team No. 9 who, despite her efforts, were downed two games to one by team No. 5.

John Avanzino again led the Sunday morning FATHER and SON league with a nifty 212-600 series.

Top scores in the first week of shooting in Serra's Friday afternoon 3-6-9 tournaments, for ladies only, were as follows: Rebecca Cascino, 126 averager, toppled tallies of 185, 182, and 184 and added a hefty 148 pin handicap to total 699 and take home first place money. Isabel McPherson posted 682 for second, and Doretha Jackson bagged third spot with a 667 series.

Bernie Santos tagged lanes 21 and 22 for an even 600 series Thursday night in the SHARPSHOOTERS league on a 214 high game.

In B. & G. MIXED 5's action Bino's Bombers blasted all four points from Rogers Texaco who, strangly enough, boasted the league's high roller in the person of Frank Morabe who missed "600" honors by a single stick on a 239-599 series.

Top "loot" in this weeks Wednesday night Scotch Doubles pot was pocketed by Bonnie and Lora Parker who took home $41.00 on a 661 combined three game effort.

A quick review of other Serra league action shows: Knights of Columbus Mixed league — Charles Galagher, 240-554. Flyers league — Jim Sherbert, 225-561. Night Owls league—Bill Hamberlin, 226-534.

Special Follies Matinee

A special 4th of July matinee has been arranged for Shipstads & Johnson Ice Follies of 1963, which has just had a brilliantly successful opening at Winterland in San Francisco.

The festive holiday show at 2:30 p.m. will take the place of the usual Thursday night performance, George J. Campbell, general manager of Winterland, stated today.

"We have fans from all over Northern California coming in for this special matinee," Campbell added. "The 4th of July show has long been one of the highlights of the Ice Follies season."

He said that, in order to cope with the great demand for tickets, ten operators are on duty to take telephone reservations from 10 a.m. to 10 p.m. with four lines open — WAlnut 1-0112-5.

In addition, box offices are located at Winterland, Post and Steiner Streets; at the Downtown Center Box Office, 325 Mason, San Francisco; and at Sherman Clay, 2101 Broadway in Oakland.

Performances for the spectacular ice extravaganza are nightly, except Sundays and Mondays, at 8:30, with a Saturday matinee at 2:30. The Sunday schedule, which has proved so popular with those who prefer to avoid late nights during the week, provides for performances at 1:30 and again at 5:30.

MOTORISTS BUFFALOED

Driving south on Highway 101 within the city limits of San Luis Obispo a few months back, a couple were suddenly staggered to find themselves staring into the eyes of a full-grown bull buffalo who was standing right smack in the center of the freeway apparently daring all comers to charge.

The couple, reports the National Automobile Club, didn't have time to do anything but charge. Result? One dead buffalo, one badly damaged station wagon, and some minor injuries.

New Sales, Service For Neville Ford

Neville Ford has recently completed construction of its new Ford sales and service center at 6100 Mission street in Daly City. This new headquarters has incorporated in its building the most modern facilities available.

A beautiful spacious show room accommodating the complete Ford line. You can now walk into Neville Ford's new show room and inspect the complete Ford line of cars. The latest in modern customer offices and conveniences complete the show room area of the new plant.

There is an unique feature of an open air display area for new cars on the show room roof. This enables customers to choose the car he wants for immediate delivery without leaving the building.

Every car in Neville Ford's huge inventory of more than 200 new Fords has been serviced and is ready for immediate delivery.

With Neville Ford's new facilities, once the customer has chosen his car he can take delivery within minutes.

There is a modern used car lot immediately adjacent to the new car show room, which is stocked with more than 75 late model used cars. This lot is lighted with the latest in outdoor lighting that literally "makes night into day." Since Neville Ford stays open six nights a week until 10 o'clock, this means that Neville Ford's customers will be able to select their used cars in perfect comfort and convenience during the day and up to 10 p. m.

Neville Ford has retained the used car lot at 7361 Mission street in Daly City and has named it the "Economy Lot." It features more than 40 used cars that offer the very best in transportation and second cars.

The sales department is headed by Harry Stevenson, general sales manager, who has an outstanding record of proven ability in rural sales.

Stevenson believes that service to the customers is the key to all successful sales campaigns and emphasized that this has been the most important reason for Neville Ford's outstanding sales record.

He is assisted by Al Lanzavecchie, sales manager, who has been with Neville Ford for more than five years. The two assistant sales managers are Ben Lupe and Carl Johnson, who have had extensive experience in the Ford line.

These men supervise a sales force of more than 30 salesmen, all of whom have been trained by Neville Ford to offer courteous, helpful service to all of Neville Ford's customers.

Neville Ford has a credit department headed by Clarence Marrs, who was with the Bank of America for ten years prior to joining Neville Ford. This credit experience enables Marrs and his staff to meet every customer's personal financing requirements.

The new dealership also has a carefully planned service department equipped to handle every auto maintenance problem with speed, economy and guaranteed workmanship.

The service department is headed by Hal Feltz and has more than 20 men all of whom are skilled professionals and specialists in the Ford line. No job is too small or too big -- from a windshield wiper adjustment to the largest motor overhaul.

Neville Ford has expanded its parts department and under parts manager Hector Lewis will now serve as a major parts center for the San Francisco and Daly City areas.

The new modern body shop is headed by Al Mondello. Mondello indicted that the increased facilities will enable Neville Ford's customers to get even better service with the same high quality of work that has established Neville Ford's reputation for being one of the two best body shops in the Bay area.

Neville Ford has come a long way from its small beginning in August of 1944.

Neville Ford was started by the present owners, Alvin W. Neville, Ira Neville and Lee B. Neville, in August of 1944, at the old location of 7360 Mission street, Daly City.

There was room for only one car in the showroom and since there were no cars being produced in 1944 there wasn't even one car to put in the showroom.

Today the new dealership Showroom has room for more than ten cars. In the beginning Neville Ford had only two paid employees—both mechanics and in fact Neville Ford was able to stay in business only by selling superior service.

Office manager, Bob Balser points out that Neville Ford's now has over seventy paid employees and is one of Daily City's major employers. In terms of service, Mrs. Alice Beckman, has been with Neville Ford continuously since 1946.

The first new Ford sold and delivered by Neville Ford was a new 1946 Deluxe 2-door sedan that was purchased by Mr. John Ericksen in December of 1945. Since that time Neville Ford has sold and delivered over 19,000 new and used cars and trucks.

An amazing record, especially in light of the fact that Neville Ford's first monthly allotment from the Ford Motor Co. was only five new Fords per month. Today Neville Ford delivers over five new Fords for each day of the month.

The Model T was still in production when the owners of Neville Ford, Alvin, Ira and Lee Neville, first joined the Ford Motor Company. Alvin Neville joined the Ford Motor Co. in 1923. Ira Neville joined the Ford Motor Co. in 1926 and Lee Neville joined the following year, 1927.

The owners of Neville Ford have been associated with the Ford Company either as employees or dealers for a combined total of 103 years.

Neville Ford's owners have over a century of collective experience with the Ford Company and its products. Alvin Neville points out that there have been a great many changes in the automobile business during these years. He feels that today's Fords are the finest ever produced and are a tribute to the great engineering accomplishments of the automtive industry. Neville agrees with these people who have fond memories of the Model-T and Model-A but is sure that no one would want to exchange his beautiful 1963 Ford for either the T or the A.

Neville points out that Neville Ford has moved into its new facilities in order to meet all of today's modern motoring needs. However, there is one basic principle that has remained with Neville Ford since its very beginning and has not changed. That service to the customer comes first.

Neville Ford is having a grand opening celebration on the 28th and and 29th of June. There will be refreshments and gifts and an opportunity for everyone to tour the new facilities. Neville Ford is extending this open house through the entire month of July and everyone is cordially invited.

New Westlake Promotion Mgr.

Dick Owens, president of the Westlake Merchants Association, today announced the appointment of Wally Blake as promotion director of the Westlake Shopping Center.

Before taking over the promotion reins of the 91-store Westlake center, Blake had been promotion director of Mission Valley Center in San Diego, promotion manager for a nation-wide center promotion, and ad and promotion manager for Seabreeze Construction Company of San Rafael.

Blake, his wife Ruth, daughter Linda and son David, are moving to Westlake from Marin County.

Colorado National Monument Has Fantastic Colors

With spring here and summer on its way, many California motorists are looking out beyond the horizon for interesting places to visit. One such place, according to the National Automobile Club, is the Colorado National Monument.

Just south of U. S. 50 as it runs between Fruita and Grand Junction in Colorado is this area of fantastically eroded and brilliantly colored highlands.

Here wind and water, working through the long centuries, have carved the red sandstone into giant monoliths, enormous amphitheaters, and other natural forms that dwarf the visitors who come to wander and gaze.

A small part of the vast upland area that soars on both sides of the Colorado River to form Grand Valley, the monument had its geological beginnings in the distant past.

It all started with the laying down of thick layers of sediment. Then, about the time the Rocky Mountains were being formed, tremendous forces within the earth lifted what is now known as the Uncompahgre Plateau above the surrounding countryside.

With the plateau lifted to the skies, the erosion by wind and water was hastened. Water from melting snows and heavy rains ran down on its way to the Colorado River, rushed through fractures into small canyons, into bigger canyons, then into canyons that merged, or almost merged, leaving the grotestquely shaped pillars of stone towering between.

In addition to hastening the erosion by wind and water, the enormous upthrust that formed the Uncompahgre Plateau also cracked the crust of the earth to form the ten-mile-long fault escarpment, hundreds of feet high, that runs through the monument and constitutes one of its more spectacular features.

Thanks largely to the efforts of John Otto, a pioneer who moved here towards the end of the 19th century, started building trails and promoting the surrounding beauty, the area was made a national monument by presidential proclamation on May 24, 1911.

Vegetation in the monument is mostly juniper and pinon pine, interspersed with brush and shrubs. In early summer, a wide variety of wildflowers dot the countryside.

The monument is a wildlife sanctuary and here you will find deer, foxes, coyotes, porcupines, elk, bison, and many birds.

Colorado National Monument is easily reached from either Fruita or Grand Junction. U. S. 6 and 50 pass through Fruita, U. S. 6, 24 and 50 converge on Grand Junction.

Special Activities For Junior High Teen Clubs

A special program of activities for members of the Junior High Teen Clubs sponsored by the Daly City Recreation Department is scheduled for the summer months in addition to the regular semi-monthly meetings of each club.

Featured activity of the summer for all clubs will be the inter-club "socko" league scheduled to begin Monday night, July 8, at the Colma School diamonds. Each of the six clubs will enter one team each in the boys and girls divisions of this league which is a modification of softball. Each batter receives only four pitches and the pitcher is a member of the batting team.

Base runners cannot leave the base until the ball is hit and no stealing, bunting or sliding rules complete the rule modifications. A round robin schedule between the competing teams will be played on Monday nights at the Colma and Abraham Lincoln school playfields for a seven week period. Supplementing the socko league program will be a variety of fun filled events following most of the games.

Swimming parties at Jefferson High School on July 8 and August 5 will follow the game. A roller skating party following the August 22 games will be held at Rollerland and a barbecue at Junipero Serra Park will conclude the "socko" season the last night of play, August 12. These activities will be open to all junior teen club members and their guests on a sign up basis.

An end of summer beach party will culminate the joint summer activities. Scheduled for Thursday, August 29, this event will give an opportunity for new 7th graders to become acquainted with the junior teen club program. Regular meetings of the clubs are held on Friday nights from 7 to 9 and feature a variety of activities — contests, games, dancing, movies etc. Sites and dates of the club meetings are as follows: 1st and 2nd Fridays—Casualiers, Colma Upper Multi-Use Room; Imperials, War Memorial Community Center; Majestics, Lincoln Park Clubhouse.

Second and 4th Fridays — Westlake Swingers, Westlake Park Clubhouse; Roof Raisers, Ben Franklin Multi-Use Room; Telstars, Abraham Lincoln Multi-Use Room. Recently graduated 8th graders are still members through September. New 7th graders are welcome as guests to the August activities and meetings and will be eligible for membership in September.

In addition to the above mentioned activities, some of the individual clubs are planning special outings and events for their members. The Casualiers have an ice skating party slated for Friday, June 28, and a trip to the California Rodeo in Salinas on July 26. The Roof Raisers have just completed a successful swim party at the Central YWCA and have a hayride, an early morning cookout and a bike hike scheduled for later this summer.

What Every Woman Should Know About Her Automobile

By WENDY WHEELER
Auto-Torium Feminine Driving Consultant

I had the most frightening experience recently . . . All the kids were in the car, I was dressed in my finest . . . got into the car, fastened the kids down, turned the key on, started the ignition and . . .

The worst sound I've ever heard. I immediately turned the ignition off. The first thing that came to my mind was that a bird had roosted inside. The high pitched squealing stopped, I bravely got out and looked inside.

Nothing. Absolutely nothing except of course . . . the engine . . . spark plugs, fan belt . . . the usual.

I fiddled around with the gadgets for awhile, seeing if anything was loose. Everything looked fine. I thought maybe I started the car wrong, so I got back inside and tried again. Same thing. Birds?

I took out my manual . . . only thing I could find which I felt could be the problem was lubrication . . . but shortly discovered that it said nothing about squealing when you start the car. It also DID NOT mention birds in the engine.

The next step was to call my husband and father. My husband said birds . . . I said NO. My father said worn fan belt. Ah hah! Worn fan belt. So what did I do? (And little Wendy said . . . "you're for the birds!)

Dad said it wouldn't hurt if I drove slowly to an automobile parts dealer or service station. I did. And sure enough . . . I had NOT a worn fan belt . . . but a loose one. The cause, I was told, was that a loose fan belt may not turn the generator fast enough to charge the battery.

And therefore . . . the high pitched bird squealing.

He also told me to occasionally have the fan belt checked . . . because if it is worn, it could suddenly break and then MORE than just birds would fly.

I was also told that if I heard the same type bird squeal again (but coming from under the hood) it could be that the water pump seal needed lubrication. If this had been the case, I would have needed some sort of cooling system protector added to the radiator water.

All in all . . . I discovered three highly probable reasons for the high pitched squeal . . . a worn or glazed fan belt, a loose fan belt, and the need of a lubricator in the water pump seal. (I still insist that it's possible for birds . . .)

When I finally returned from my day of birds, and fan belts, and water seals . . . my husband decided to take me to the movies. Thoughtful man, he. He suggested Hitchcock's "The Birds" . . . and I accepted. I tried to carry the idea further by having pheasant under glass for dinner . . . but needless to say, it didn't work.

(Free copies of Wendy Wheeler's informative and entertaining booklet "What Every Woman Should Know About Her Car," may be obtained at any Auto-Torium store or by writing to her in care of this paper.)

Soccer League Sought In Daly City

Rec. Dept. And Schools To Contribute Efforts

Soccer, the national sport of most of Europe and South America, and certainly the world's largest spectator sport this side of the UN, has come to Daly City. And behind the drive to establish soccer teams in Daly City are some of the most prominent devotees of the sport in the Bay Area.

Louis Storm, a Westlake resident and San Francisco diamond importer, began the process by teaching his two sons the game. The game quickly spread through the neighborhood, and its popularity prompted Storm and others to approach the principal of Fernando Rivera school, and from there to go to Thomas Edison, Olympia, and Colma schools. According to Storm both the principals and students were enthused.

All involved with this project have been connected with soccer for many years. Louis Storm played for Hakoah A C in Vienna in the late thirties, a team that was, before its disbanding, one of the finest soccer teams on the continent. Ernie Fiebusch, also active in instigating the formation of a soccer league in Daly City is a former member of the S F Vikings, and is now their manager. Others include Joseph Spiegelman now a soccer referee and Sam Negoesco who is the soccer coach at USF.

These men met several weeks ago with Daly City Recreation Department Director Chuck Vincent and worked out plans for the preparation of a junior sized soccer field at Westlake park. The field, which will be 60 by 80 yards, will be ready within the next few weeks. Following the summer program, teams from each of the elementary schools are anticipated, with the number of teams depending only on the number of youngsters showing interest. The teams will be made up according to age group, with teams being established for those between the ages of 6 and 8, between 8 and 10, and between 10 and 12. Storm added that "we hope for a team made up of kids from 12 to 15."

An initial planning session will be held this week, and the following week coaches will be invited to contribute to the formation of a summer league.

Anyone at all familiar with the game, either as a player or as a coach are, as Storm put it, "very welcome to help, as coaches or in any other capacity." Any interested ex-soccer players can call PL 5-5003 for additional information.

CREATIVE ARTS
By Nedra Merrick

Over one hundred girls and boys throughout Daly City participated in the first lessons of creative dance. The young people were instructed in exerting themselves in stretches, bends, hops and jumps, and seemed to thoroughly enjoy the entire process.

Also, a teenage drama workshop has been started in Daly City. Sene working on improvisations and plans for an upcoming production were Cherie and Donna Van Gundy, Libby Goodner, Marilyn and Dianne Fingley and Shiela Dockery at the War Memorial Community Center. At Westmoor Park similar dreams were being produced by Brad Hansen, Judy Knight, Carol Gonzales, Sandra Tucker and Steve McBride. Miss Merrick expects great things from this talented group.

YOUTH BAND
By Howard Loeffler

A new first in Daly City—a Youth Band. It met and played for the second time at Westmoor High School. Last Tuesday evening, the group of 38 boys and girls performed under the direction of Mr. Loeffler. Later in the evening, the Recreation Dance Band began practice. There were 26 performers in this group which is open to the youth and adults of Daly City.

SPORTS

Wire Finish In National Loop Battle

Fans of the National division of the Midget League are being treated to a great race for the roses between the PAL Cardinals and the OLM Leopards. Right now the Birds hold a one-game lead that could be evened up at any time. On the heels of both stalk the Bender Roofing Cats.

Though in third place, the Cats have no intention of giving up the race. The Birds and the Leopards better keep their eyes on the Cats.

Climbing back into the win column by defeating the improved Holy Angels Colts this week, the Cats moved up in percentage points. Jean Guzman was the winning pitcher for the Cats, allowing three hits to Colt batters.

McGuigan drove in Abbott for the first run of the game. In the second inning, with the bases loaded and two out, Abbott singled to center and picked up three RBI's. McGuigan hit three-for-three for the Cats.

The Colts started a rally in the fourth by loading the bases, but Joel Carrara came on in relief and snuffed out the spark.

The OLM Leopards shut out the PAL Browns, 10-0. Speith handled the mound chores for the Leopards and gave up two hits to the Braves. Gilmore and Roche hit two for three for the Leopards while six other batters helped to collect the ten hits. Morton and Walorinta hit for the Braves.

The Braves took revenge on the PAL Indians by shutting them out in a 13-0 game. After being shut out in three contests, the Braves pounded the ball hard. Fourteen hits by the Braves were turned into 13 runs. Again Morton and Walorinta were the big bats, splitting triples.

Jimmy Gentile did some fancy fielding and throwing to make the play of the tilt on a put-out at third from right field. Brown hit a double for the Indians.

Rec Basketball Begins July 9

Play in the Daly City Recreation Department's high school sumer basketball league is slated to begin Tuesday night, July 9, in two eight team divisions. The round robin play is scheduled for Tuesday and Thursday evenings in both the War Memorial Community Center and Westmoor High School gymnasiums.

Local teams entered to date include two teams of boys from Jefferson High School and four composed of students at Westmoor High. The Police Athletic League (PAL) is also entering two teams—one composed of recent eighth grade graduates and the other a team of Daly City boys who attend parochial or high schools outside the city. To fill out the eight team divisions, teams from South San Francisco and Pacifica will compete in the leagues.

A unique system of determinging the division standings will be used on a trial basis this summer. The team winning each game will receive 5 points and the losers a fraction thereof depending on the final game scre—4 points for aloss of 1 to 3 points; 3 points for a loss of 4-6 points; 2 points for a loss of 7-9 points; 1 point for a loss of 10-12 points; ½ point for a loss of 12 points or over. Teams forfeiting will receive 0 points. This system is being used to encourage better competition and participation.

ADVANCED ARTS AND SCIENCES
By LaVerne Schmidt

The boys and girls attending the Gemstone Jewelry classes during the first week were more than pleased in taking home a collection of California Minerals. They are looking forward with great anticipation to making tie racks, bolo ties, earrings, bracelets and many similar items.

ED BAYBRAY drove all the way from Arlington, Texas, picking up 34,759 speeding tickets on the way, but made it, broke, to the Half Moon Bay strip, where he won everything in sight; taking the eliminator, low ET (8.49 seconds), and turned in the highest speed (178.57). The elapsed time is a fuel dragster record for HMB.

Midget Leagues Tighten In Great Race For The Roses

For the third week in a row, the American Division of the midget league has a different team in the top spot. Cornell Holmes has coached his PAL Giants into a slight percentage lead. The Giants with a .643 record edged out the OLPH Golds with a 6.36 average. Right behind them are the Holy Angels Lions with a .615 record.

Misracks Sporting Goods moved up to 4th place this week with a .500 record and by so doing, knocked the Holy Angels Lions down a peg. Abe Shaffer got the call for mound service against the Lions and held them to four hits that accounted for two runs. Poole faced Misracks for the Lions and also gave up four hits. Unfortunately for the Lions, Poole grouped his hits while Shaffer scattered his. Misracks scored four runs off hits by McMillan, Pololck, Shaffer and Hilsendager. Final score: Misracks 4, Lions 2.

Shaffer was again called upon later in the week to face the OLM Dons. Steady pitching by Shaffer and timely hitting by Donald Miller, Dale Hilsendager and Abe Shaffer enabled Misracks to edge out the Dons 5-4. Shaffer won his fifth ball game of the season giving up five hits, walking four and fanning 11. Churchwell hit 3 for 4 for the Dons.

The league leading Giants tightrope walked into first place with a couple of close wins. Rich Burger hit a triple in the last of the sixth scoring Aceituno to squeek by the OLM Dons 4-3. Glischinski was the winning pitcher giving up six and wiffing 11. Lieski tossed a seven hitter with ten k's for the losers. Harrison, Gre gory and Burger were RBI men for the Giants.

Bill Gregory got the call against the Redsox and held htme to four hits and one walk. Three of the four hits came in the last inning as the Redsox surged to within one run of the Giants. Aceituno hit 3 for 3 including a triple. Gregory and Wilcox contributed doubles. Harrison smashed the ball that brought in the winning run for the Giants in the 5-4 ball game. Fred Balleto hit a bases loaded triple to come within a hairsbreath of pulling the game out of the fire.

Pitchers Pull Dodgers Ahead

Moving farther ahead each week, the powerful PAL Dodgers, coached by Rock Kubowitz, picked up a pair this week. In a pitcher's duel Kubowitz had to go to the bullpen to pull the Dodgers game with Ben Franklin Press out of the fire. Ponterra faced Dolan of Ben Franklin Press in a mound battle but had to call for Russ "Special Delivery" Runge to put down the Ben Franklin threat.

Ponterra ran out of gas in the fourth giving up 3 hits at that time. Becker and Dowdle wielded big sticks for the Dodgers. Dolan gave up only 3 hits to the Dodgers and earned great praise from Rock Kubowitz.

Kubowitz had the Dodgers razor sharp for their game wtih the Bender Roofers. He called upon Russ "Special Delivery" Runge who came through with 12 strike outs and gave up four scattered hits to shuotout the Roofers. Bobbie Giorgetti made hero of the week for the Dodgers with a "great" running, diving catch that took the ball at grass level to rob Steve Bock of a possible homer. Guy Kubowitz came up with his fifth double play of the season. Mike Dowdle blasted another homer with two aboard. Scooter Perrone and Jeff Becker accounted for the other two RBIs. Final Dodgers 4, Bender Roofers 0.

Bender Roofers picked up a game after another pitcher's battle between Bach of BYA and Ewing of OLM Aces. After giving up three runs in the first inning on one hit, Back pitched no hit ball for the next five innings. Unfortunately he gave up 8 walks in the first 7 innings. With the score 5-3 in the top of the 7th, Beck loaded the bases.

He was then relieved by Doug Rosen who gave up one run on a fielder's choice then put the next two batters down. BYA's Heroes for the game were John Conwell and Stebe Bach. With runners on second and third with two outs, Conwell hit a solid triple into right field scoring the tying run. He then scored the winning run on a blow by Steve Bach. Final—Roofers 5, OLM 4.

FIVE CARS cracked up in dense fog Saturday at the intersection of Skyline boulevard and Westmoor avenue.

Treated for minor injuries at Peninsula Hospital were Robert Francis DeHertel, 25, of 1884 Crespi drive, Pacifica, and Dorothy Rock, 31, 25005 Laloma, Los Altos Hills.

Vapor Lock, "Silent Enemy" Of The Summer

Motorists will never see him . . . nor will they ever hear him, but there's a silent enemy riding with them when they take to the highways in the warm summer season.

The California Highway Patrol says this miscreant is called "vapor lock," a little gremlin who stalls cars when they are forced to slow down during hot-weather driving.

Commissioner Bradford M. Crittenden points out that vapor locks is most apt to appear when, after driving at normal speeds, a car is slowed down by traffic or grades.

"Denied a cooling breeze and full benefit of the fan, the motor overheats, and gasoline in the fuel line vaporizes to cause bubbles which block the flow to the carburetor.

"Vapor lock acts as if you had run out of gas or your fuel pump had failed," Crittenden stated.

But there's a way to solve the problem.

Cool water poured over the sides of the carburetor and on the fuel pump and fuel line, especially close to hot exhaust pipes, will eliminate the trouble.

If there is no supply of cool water available, the motorist can dip a handkerchief or rag into the radiator and hold it in the air until it cools. Applied to the fuel pump and fuel line, this may also correct the problem.

Lewis T. Crosse Serving on Sub

Lewis T. Crosse, senior chief electrician's mate, USN, son of Mrs. Fred N. Crosse of 319 Heathcliff Drive, Pacifica, is now serving aboard the Polaris fleet ballistic missile firing submarine USS Thomas A. Edison, currently operating in the Atlantic.

The present assignment marks her third patrol.

While in port, the submarine remains in constant readiness to launch her 16 nuclear-tipped Polaris missiles if need arises. By remaining submerged throughout her patrol period the Edison is as nearly invulnerable to possible enemy counter-measures as a modern weapons system can be. She is capable of launching missiles while submerged.

Because of the nuclear powered submarine's long endurance, the Navy has adopted a two-crew concept for manning fleet ballistic missile submarines. When the Edison returns to the submarine tender at Holy Loch, Scotland, in a few months, the entire crew will be flown back to their homeport at New London, Conn., and a completely new crew will take the submarine on another 60-day patrol.

The Edison was commissioned on March 10, 1962. At present, there are 11 Polaris submarines in commission and the Navy plans a force of 41 by 1967.

HIGHWAY SYSTEM

More than 14,500 miles of the 41,000-mile National System of Interstate and Defense Highways, reports the National Automobile Club, are now open to traffic.

Harold K. Mines Receives MD Degree

Harold K. Mines, son of Reverend M. G. Mines, 47 Clifton drive, Daly City, has received an M.D. degree from the University of Louisville School of Medicine. The degree was conferred at commencement ceremonies held Sunday, June 9.

A graduate of Hillsborough High School in Tampa, Fla., Mines attended the University of Louisville Medical School under a National Science Foundation scholarship. He attended Georgetown College, Georgetown, Ky., before entering medical school in Louisville.

He is a member of Alpha Kappa Kappa, national medical fraternity.

NOTICE OF PROPOSED ZONING VARIANCE

WHEREAS, pursuant to Ordinances No. 204 and 301 of the City of Daly City, California, an application for variance from the strict application of Section 5.02 (B) of Ordinance No. 204 has been filed;

YOU ARE HEREBY NOTIFIED that the Planning Commission of the City of Daly City has set the time and place for hearing all persons interested in or objecting to said variance for Tuesday, the 9th day of July, 1963, at the hour of 8:00 P.M. of said day in the Council Chambers, City Hall, Daly City, San Mateo County, California, at which time the said Planning Commission will hear any evidence offered by any person interested in or objecting to said variance.

Said property is situated in the City of Daly City, County of San Mateo, State of California, and described as follows:

Lot 4, Block 5, School House Homestead Association on Edgeworth Avenue 125 feet north of the northeast corner of Plaza Street and Edgeworth Avenue.

Leonard J. Brown
Secretary Daly City
Planning Commission

Date: June 24, 1963.
6250: June 26, 1963.

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN to the public and to all interested persons that a public hearing will be held before the City Council of the Town of Colma on the 10th day of July, 1963, at the hour of 7:30 p.m., at the City Council Chambers, City Hall of Colma, situated on the West side of El Camino Real at Jewell Avenue, in the Incorporated Town of Colma, State of California.

Said hearing has been set for the purpose of having the City Council consider and adopt an Ordinance extending temporary Interim Zoning Ordinance, Ordinance No. 112 of the Town of Colma, for a period of one year. The said Ordinance No. 112, and the proposed urgency Ordinance extending same, establish a C-1 (commercial) zone of the Town of Colma, impose restrictions and regulations concerning same, and establish a Use Permit procedure which applies in said C-1 Zone.

Said Ordinance shall be adopted pursuant to the provisions of Government Code Section 65806 of the State of California.

Reference is made to Ordinance No. 112, and any and all other documents and writings concerning the same, all of which are on file in the office of the City Clerk of the Town of Colma.

Dated this 25th day of June, 1963.

Blanche Lagomarsino
City Clerk of the
Town of Colma

6254: June 26, 1963.

BUSY BRIDGE

The San Francisco-Oakland Bay Bridge is a big bridge and a busy one. Since the time it opened back on November 12, 1936, to midnight of April 30, 1963, it had carried 710,914,833 vehicles across the bay.

During that time, reports the National Automobile Club, the average number of vehicles per day was 73,548 and the busiest day was Friday, September 1, 1961, when 133,604 vehicles moved steadily and almost solidly from shore to shore.

NOTICE OF PUBLIC HEARING ON ZONING AMENDMENT PROPOSAL

WHEREAS, an application has been received by the City of Daly City to amend Ordinance No. 204 so as to rezone the following described property to a R-3 classification from an R-1 classification:

NOW, THEREFORE, public notice is hereby given that the City Council of the City of Daly City has set a public hearing on said proposed zoning change and that at the hour of 8:00 p.m., Monday, the 22nd day of July, 1963, in the Council Chambers, City Hall, Daly City, California, the City Council will hear all persons owning property which may be affected by such proposed amendment to the basic zoning Ordinance 204 and any and all interested persons are invited to appear in person or be represented by agent or petition for the purpose of expressing themselves in support of or opposition to the proposed amendment to Ordinance 204.

Said property is situated in the City of Daly City, County of San Mateo, State of California, and described as follows:

Lot 1 in Block 1, as designated on the Map entitled "Jefferson Park San Mateo County, California".

Anna Ohlendorf
City Clerk of the
City of Daly City

6253: June 26, 1963.

The Durable Rose

Roses are durable shrubs which tolerate intervals of drought and bounce back from them. They are much better for regular watering, however, both in the looks of their blooms and their foliage. The soil should be moistened to at least a foot deep around rose bushes every time you water, so don't just sprinkle them for a short while and let it go at that. In large rose gardens irrigating in trenches is the most convenient method of watering. With only a few shrubs, simply dig an irrigating basin around each and let the hose run gently into it for several minutes each time you water.

CHILDREN KILLED

During 1961 traffic accidents killed 330 children and injured 16,000 children who were playing in the streets.

RETAIL SALES

Automotive retail sales hit $61 billion in 1962.

TOP SPOTS FOR DINING AND DANCING

First Class Dining At Club First Cabin

One of the newest cocktail-restaurants in the area, Club First Cabin, owned and operated by Neal and Dottie Morehouse, is located at 11 San Pedro road in Colma.

The knowledge and experience gained from working at many of the finest bars and restaurants in the city has been incorporated by Mr. Morehouse into his own establishment, thereby creating an atmosphere conducive to pleasing dining and drinking. The bar-lounge and the cabin dining room feature decor, panelled in walnut and mahogany with softly diffused lighting. Copper Creations by Tina complete the wall decorations.

A low, low $2.95 is the asking price for "the best steak" in town. South African lobster tails cooked in sherry wine is the fine fare offered to gourmet by Club First Cabin.

Piano music in the lounge is featured on Friday and Saturday nights to further contribute to the quiet relaxed atmosphere.

For the luncheon group there is a fine selection from the menu at prices which start at 85 cents up to $1.85.

The Club First Cabin is open seven days a week from 11 a.m. to 2 a.m., except Sundays when the doors open at 12 noon.

Whether you wish to go tourist or first class, climb aboard for a delightful cruise at the Club First Cabin.

From A Feminine Viewpoint . . .

By Mona Baker

"The Golden Years" of life sometimes do not hold the glitter that they should. Health breaks down, families are separated and life can be rather grim. One of life's greatest rewards is bringing happiness to older people who no longer can go out into the world and seek their own. There is a local group of women who are doing just that. A dedicated group of volunteers from St. Martin Episcopal Church Women go regularly to Laguna Honda home. They wheel the patients to chapel and visit with them. They bring magazines, write letters and work in many ways to bring a little sunshine into the lives of those who are in the "Golden Years."

Heading the group of volunteers is Joe Berry. Members include Mrs. Bertha Hunt, Kathryn Brinton, Loreen Rossina, Amanda Wigington, Jeanne Brugge, Kaky Folawn, Lynn Jones, Jackie Kleutsch and Dorothy Ober. New additions include Thelma Rosen, Lila Wilson and Margaret Morse.

The urgent need for more volunteers was stressed by Mrs. Arthur Neilson who coordinates the work of the Bay Area Episcopal volunteer women. She spoke before a general meeting of St. Martin Episcopal Women last week.

She also mentioned that magazines and paper back books (westerns, mysteries) are needed for the patients. If you have any old "Reader's Digests," "National Geographic" or "Life" magazines that you would like to donate telephone Mrs. Barry at WY 2-0153. If you are interested in volunteering your time, Mrs. Berry can also give you information about what is required. Perhaps you too, can find a few hours to help "spread a little sunshine."

—★—

Ten years of serving on PTA boards is the record of our community leader this week who also has given many many hours to other community organizations.

She is past president of Garden Village PTA, charter member of Abraham Lincoln PTA and will serve as treasurer on Benjamin Franklin executive board next fall. She was Westlake chairman for United Crusade and has worked on every community fund drive. She was a Boy Scout den mother for two years and worked as a motor car driver for Red Cross. Active in the women's guild of Our Lady of Mercy Church, she has served on many committees.

She is now a "Pink Lady" doing volunteer work at Mary's Help Hospital, and is co-chairman for the fund raising committee of the new North Peninsula Circle of Florence Crittenton Home.

We salute Kay Glebow as our community leader of the week. Residents of the area for six years, the Glebow family, husband Philip and two sons, John and Philip Jr. live at No. 2 Upland Avenue.

—★—

A reunion to end all reunions was held last week at Brentwood Lodge—classmates of Jefferson Elementary School, class of 1919, gathered for dinner and to reminisce about the early days. There were 23 eighth grade graduates in the class and twenty attended the reunion. Most of them are still local residents. Also present were 7th grade teacher, Mrs. Hunt, and 8th grade teacher, Miss Dowd. It was also an evening of memories as pictures of the old school and town were shown.

—★—

FASHION HINT: Warm summer sun reminds us it is "sun-fun" hat time and sun hats are madder than ever this year—tall ones, flat ones, lace ones, fur ones. If you want to be really original buy a plain straw in a becoming straw and trim it yourself. Drop by a hardware or variety store, pick out a few gadgets to clip on and then wait for the whistles or at the very least it will be a conversation piece.

—★—

NEWS BRIEFS: On the social calendar of Our Lady of Perpetual Help Mother's Club is an afternoon whist party on July 2 at the school hall. Kay Balestriri is chairman assisted by Janet Fellman.

Chairman for Westlake for the polio drive is Jo Berry who will meet with her committee on July 1 to organize plans for the yearly drive. Assistant chairmen are Mrs. Stan Bacon and Mrs. Robert Battaglia.

Two new members for the Daly City Community chorus — Sidney Bronstein and Betty Taft from Westlake Terrace. A most enjoyable evening was spent by members of the chorus last Thursday evening as they joined in an impromptu birthday celebration for accompaniest Susan Boyd.

"One reason politics makes such strange bedfellows is that all kinds of people enjoy the same bunk." — Orville Campbell, The Chapel Hill (N. C.) Weekly.

WESTLAKE'S ST. MARTIN'S Episcopal Church was the setting for the recent marriage of Joyce Virginia Dare and Carl Richard Frederick. The bride is a Westmoor High graduate. (Photo by Milton Mann.)

Joyce Dare Weds Carl Frederick

A honeymoon in Carmel followed the recent marriage of Mr. and Mrs. Carl Richard Frederick, who exchanged vows at St. Martin's Episcopal Church in Westlake.

The bride is the former Miss Joyce Virginia Dare, daughter of Mr. and Mrs. Herbert L. Dare of 401 Monterey road, Pacifica.

Her husband is the son of the Harold D. Caldwells of 543 Jersey street in San Francisco.

For the 1 p.m. nuptials, Joyce wore a short chantilly lace bridal gown fashioned with a semi-full skirt and long sleeves. Her shoulder-length veil was secured by a small crown of pearls and she carried a cascade arrangement of white carnations centered with an orchid and steffanotis.

Escorted to the altar by her father, Herbert Dare, Joyce was attended by Miss Diane Brown. The maid of honor wore a sheath dress of powder blue and carried an arrangement of yellow carnations. Her small veiled hat featured a single blue rose.

Clinton C. Cornwell served his brother-in-law as best man, while the Rev. John Fredericks officiated at the double-ring ceremony.

After the wedding a reception for approximately 30 friends and relatives was held at the Presidio of San Francisco, where the bride's sister, Susan Dare, was in charge of the guest book.

Joyce, who was a member of the graduating class of 1960 from Westmoor High School, is the sister of Lydia, Susan and Dorothy Dare, and the granddaughter of Mr. and Mrs. George Ramsey, Sr. She is also related to Mr. and Mrs. Joseph Crowther of Pacifica and Mr. and Mrs. George Ramsey, Jr., of San Bruno.

Carl, who is a student at San Francisco College, received his preparatory education before persuing his studies at SFS, he attended William and Mary and the University of San Francisco. He is the brother of Mrs. Patricia Cornwell and Miss Sharon Caldwell, and a relative of Mr. and Mrs. W. Zollinger.

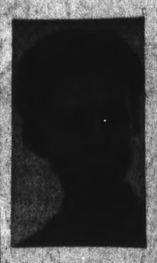
F. Vaznaugh Wed In South America

Romantic news from south of the border was revealed this week by the parents of Daly City-born Frederick S. Vaznaugh as they announced to local acquaintances the marriage of their son to Miss Delfa Isolda Malvagni of Buenos Aires, Argentina.

The benedict is the son of Mr. and Mrs. Richard P. Vaznaugh, of 3286 San Jose avenue, Daly City.

Fred and his bride are now living in Guatemala City, where he is attached to the United States foreign service following his assignment as vice-consul to the U.S. Embassy in that city.



The new Mrs. Vaznaugh is the daughter of Dr. and Mrs. Attilio Malvagni. She has been a teacher of dancing at Sweetbriar College, in Virginia, and an instructor of foreign language at the Foreign Service Institute in Washington, D.C.

Fred was graduated from the University of California, where he was a member of Phi Gamma Delta fraternity. He continued his studies at the University of Mexico in Mexico City and received his masters in foreign trade from San Francisco State College.

Local Lass At Mills Homecoming

Mrs. George Arabian of Daly City was among the 300 alumnae returning to Mills College for the annual Mills Reunion Weekend held recently on the college campus at Oakland.

The reunion of 12 classes from 1903 to 1958 was attended by alumnae from all parts of the United States, England and Japan.

Highlights of the 4 day program included a variety of social and traditional events and the 84th annual meeting of the Alumnae Association. Reinhardt House served as homecoming headquarters.

Dr. C. Easton Rothwell, president of Mills, was keynote speaker and Mrs. Dean Rusk, wife of the Secretary of State, and an alumna, was awarded the honorary degree of Doctor of Humane Letters.

Mrs. Rusk is currently a member of the Board of Governors of the Alumnae Association, serving as regional governor for alumnae in foreign countries. Mills has alumnae living in 84 countries. Previously Mrs. Rusk has been president of the Alumnae Association and president of the Mills College Alumnae Branches in New York and Washington, D.C.

Ct. Salesian To Install Tomorrow

Installation of new officers for Court Salesian No. 1005, Catholic Daughters of America, will take place tomorrow evening at 8:15 p.m. in the Sons of Italy Hall, 5051 Mission street.

District Deputy Mrs. Georgianna Clark will install the new officers, who are:

Mrs. Mary Ann Heissenbuttel, grand regent; Mrs. Eunice Kull, vice grand regent; Mrs. Bernice Holmes, prophtess; Mrs. Irma Brogan, financial secretary; Mrs. Ann Barreto, historian; Mrs. Marguerite Arietta, treasurer; Mrs. Ida Garabaldi, monitor; Mrs. Katherine Smith, sentinel; Mrs. Geneva Saxsenmeier, lecturer; Mrs. Lorene Armanino; organists; Mrs. Mary Katherine Ford, trustee, and Mrs. Sophie Loosli, trustee.

Chairladies for the evening are Mrs. Geneva Saxsenmeier and Mrs. Ann Barreto.

Church Camps Beckon D. C. Nature Lovers

While the wonders of the great out-of-doors may not appeal to everyone, a goodly crop of North County-ites will be trekking off into the green yonder as summer camps and conferences welcome their participants.

Off to Mission Springs in the Santa Cruz Mts. from Aug. 19 until Aug. 24 will be Gary Wechsler, vice-president of the youth group at Westlake Lutheran Church, who will be representing his sponsoring institution at the Northern California leadership training conference for Lutheran young people.

Others from his group will be attending the Lutheran Bible Camp at Mt. Cross, near redwood-filled Felton.

Attending senior high camp will be Luana Anderson, Linda Hodgskiss and Marian Howard while junior week at Mt. Cross has beckoned Don Lincks. Also participating in a junior week at Mt. Cross will be the Rev. Kenneth Hensen, who will serve as a member of the teaching staff from July 21 through 27.

Testing their vocal prowess amid the trees at Mt. Cross' music week camp will be Betty Hodgskiss, Dennis Lincks, Martin Vinje, Elaine Laingen, Mitch Keil and Ross LaChance.

Off to various Presbyterian conference grounds will be representatives of assorted sizes from Broadmoor Presbyterian Church. Nancy Dethlefsen and Phyllis Chiosso will go to the Valley of the Moon near Sonoma and Westminister Woods, near uGerneville, has attracted Kathy Meade, Elaine Chiosso, Christine Dethlefsen, Debbie Sealund, Joanne Bertken and Betty Henry.

Paula Baumgartner and her friend, Patsy Baker, will be camping with the Presbyterian sponsored senior high conference, at the Valley of-the-Moon.

To the Presbyterian North Coastal Area family conference at Zephyr Point on Lake Tahoe for the first week in July will go Mrs. Charles (Vivian) Sigler and her young daughter, Charlene.

Helping to staff that conference will be localites Mr. and Mrs. Tom House (Leah), with son Steven and Kim Beck Mr. and Mrs. Ken Gillespie (Bunny) with daughter Perky; Mrs. George (Shirley) Pappas with daughter Kim and in-law Linda Bolin; Mrs. James (Bernice) Hamilton and Mrs. William (Elizabeth) Hopkins with daughter Nancy.

From the Broadmoor Church of the Nazarene, according to the Rev. Vernon Thomas, will go summer campers to all four of the camps to be held at the scenic Beulah Park Camp in the Santa Cruz Mountains.

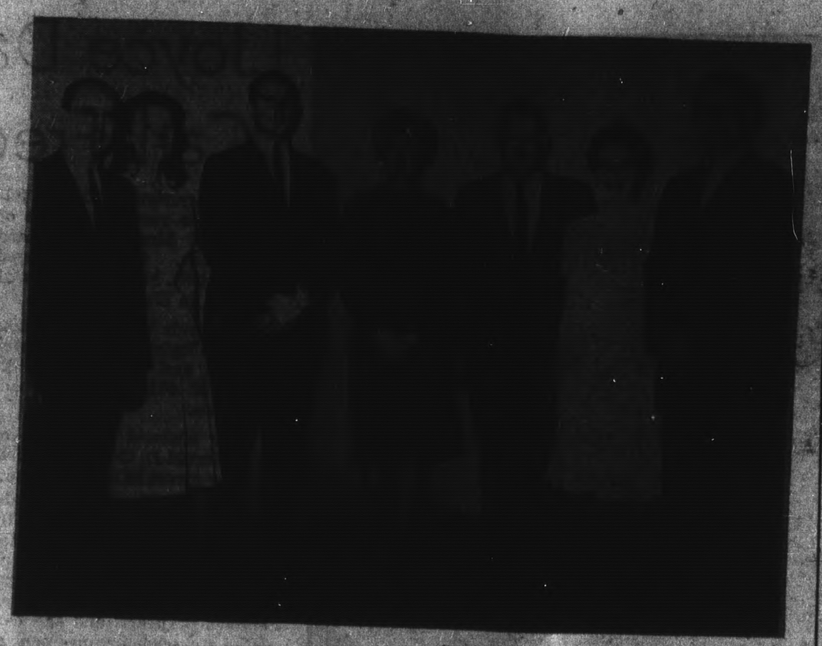
Billy Bryson, Ronnie Schroyer and Bradley Buser will attend the junior boys camp to be held July 1-6; and Lorraine Thomas, Thalia Fuller and Janice Flint will be going the following week for junior girls camp.

The junior high camp from July 15-20 will have Barbara Buser in attendance and the college-high conference from July 22-27 will include Brenda Buser, Diane Cloutier, Wesley Thomas and Dale Thomas.

Off to enjoy the frontier or adventure camp experiences offered at lovely Redwood Glen (near San Mateo Memorial Park) will be youngsters from the congregation of the Westlake Community Baptist Church.

Early-summer campers included Jerry Marshall, Carla Fields and Tim Fields, followed by Marsha McPherson, Cathy and Cindy Spitzer, Nancy and Diane Spitzer, Susan Marshall, Elithea Whittaker, Charmaine Fields, Dean Tiernan and Ricky Collins.

July or August campers will be Barbara Luz, Billy and Bobby Smithe, Larry Hopkinson, Judy Newkirk, Connie Wiener, Debbie Wiener, Charles Gibson, Susan Bernard, Mark McPherson and Lark McPherson . . . B. G.



NEW OFFICERS were installed June 8 by Local 1119 of the American Federation of Teachers in South San Francisco. They are (from left) Al Southnard, editor; Barbara Cleaver, secretary; Sheldon Winston, vice president; Charleen Smith, second vice president; Clem Jeep second vice president; Myra Sobers, treasurer and George Hurley, president.

Lutherans To Urge Race Equality

Support or government attempts to secure justice and racial equality for Negro Americans is solicited from the 5,000 congregations of The American Lutheran Church.

In a letter sent by its president, Dr. Fredrik A. Schiotz, to all of the denomination's pastors, he advocated:

1. Let your people know where you stand. (If you have no convictions on this issue, ponder the gravity of this hour of judgment in the life of our nation.)

2. Be sure your congregation is ready to offer the hand of welcome to the Negro, as a guest and as an applicant for membership.

3. Lead congregational prayers that God may dispose our hearts in penitence for our racial sins and in a hunger to allow "justice to roll down like waters."

4. Encourage church members to write their congressmen and senators of their concerns. (Let legislators be advised that this is no time to stymie action by filibustering.)

5. Encourage lay leaders to participate in community interracial consultations for peaceful action.

Observing that many people now remonstrate against Negro impatience, Dr. Schiotz said "The time for the practice of patience is tapering off for the Negro and is setting in in earnest for the white man."

Charm Demo For 7 Hills

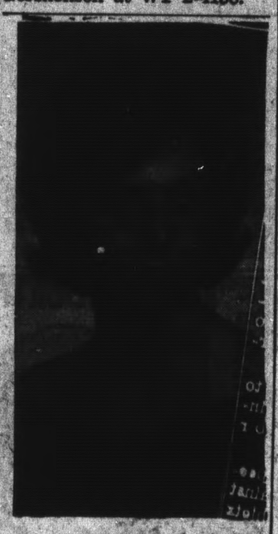
Seven Hills B'nai B'rith Women will hold their regular meeting at the Lake Merced Boat House tonight at 7:45 p.m.

Before the meeting the group will have a demonstration by the Patricia Stevens Charm School.

Refreshments will be served after the meeting and gusets are invited. For transportation call Mrs. Bernard Lapedis at JU 5-4959 or Mrs. Richard Gershenson at WY 2-4138.

Dwarf Dahlias

Dwarf Unwin Dahlias are bedding plants which can go in this month for a quick show of color in late summer. Many of them are in bloom when you buy them. They will benefit, however, if you pinch this early bloom out and encourage side branching.



FRANCES BENSON, mathematics major and life member of the CSF, was the recipient of a $200 scholarship from the Sons of Italy. The Mercy High School graduate also received a four-year State Scholarship, was a finalist in the National Merit Awards, was given a Bank of America achievement trophy for her work in science and mathematics and was offered a four-year scholarship at the University of California.

Going Out? Y Sitters Are Handy

The YWCA Y-Teen Clubs from Benjamin Franklin and Upper Colma have had instruction on baby sitting as a job and the girls who attended the instruction class have their names listed with the YWCA office, 375 S. Mayfair, PL 6-7370.

A very comprehensive class program was held and all girls listed appear to be competent baby sitters. The girls are very interested in employment and hopeful that community people will call on them. Rate of reimbursement is 50c an hour to midnight and 75c an hour after 12 p.m.

The YWCA Teen age committee invites calls to the office for references, from 8:30 to 4:30, Mondays through Fridays.

HORNED LIZARD

When the Pacific horned lizard is frightened it squirts blood out of its eyes.

Fireworks Stand Opens Friday

One of northern California's largest selections of fireworks will be offered this year at a large stand at the corner of Junipero Serra and D streets in Colma.

Sponsored by the Holy Angels Men's Club to raise funds for youth activities, the stand will be open starting at noon on July 28, and will be open daily from 9 a.m. to 10 p.m through July 4th.

As a special feature, Uncle Sam will be present to give free flags to all kiddies visiting the stand with their parents. Adding to the festive mood will be martial and patriotic music from the public address system.

MOST ANCIENT

Rabbits are believed to be one of the most ancient living mammals on the North American continent.

What did radios have in 1933 that they don't have today?

Answer: They had higher-priced power... because PG&E prices are 8% lower today* than 30 years ago. (So how come your bill is bigger now? Just because you're using more and better appliances these days.)

*Based on typical homeuse of gas and electricity

PG and E

Masons to Meet

Victory Lodge No. 360 F. & A. M., is completing plans to host Islam Chapter, Order of De Molay, it was announced by William H. Hook, master of the lodge. The meeting will take place on Wednesday evening, June 26, in the Masonic Temple, San Jose and San Juan avenues.

The De Molays will exemplify their ritual ceremonies before the Masonic group at this time.

Seeks Residents

The San Francisco Red Cross is seeking two former residents of Russian extraction: Vasili Ilyich Ivanov, and Boris Dmitriyevich Kuzin. Anyone with information on either of these two missing persons is urged to call Red Cross at PR 6-1500.

John Adams Prescribed Pomp For Fourth Of July

John Adams thought the birthday of the United States ought to be celebrated "from one end of this continent to the other" and prescribed pomp and parade, bells and bonfires for the occasion. But one of the largest and most impressive observances of Independence Day takes place thousands of miles away, in Denmark, according to World Book Encyclopedia.

Each year as many as 40,000 Danes and Americans gather at Rebild National Park in northern Jutland in an enduring gesture of international friendship. While the Stars and Stripes waves beside the Dannebrog, Denmark's flag, and television cameras glide along an avenue of U.S. state flags, there is band music and singing and even the traditional Fourth-of-July oratory.

The Rebild Festival was the inspiration of a group of Danish-born Americans led by Dr. Max Henius, a chemist who became a prominent citizen of Chicago. In 1911 they purchased 200 acres of Denmark's heathery hills and in 1912 they presented the land to the Danish government with the stipulation that the U.S. Independence Day be observed there every year.

The celebration has taken place annually except during years of war. But even in 1940, when Denmark was an occupied country, a group of Danes raised the American flag alongside the Dannebrog within the park grounds.

In recent years, American speakers have included Chief Justice Earl Warren, Paul G. Hoffman and former vice president Richard M. Nixon. True to the memory of John Adams, however, the pomp doesn't end with the speeches. After the ceremonies in the park, the guests move to the neighboring town of Aalborg, where they end the Fourth with parades and fireworks.

MEL CRISTONI — Has been in business over a year in St. Francis Square. His station features a good supply of automobile parts with two mechanics on duty. Cristoni, is a native of San Francisco and has been in this business 20 years. An Army veteran and member of Masonic Order No. 517 of San Francisco, he resides at 99 Midvale with his wife, Micki and three daughters, Josie, Gerry and Melele. He also has a married daughter, Sharon (Mrs. Manny Hirschel) and a grandaughter and grandson. Cristoni is one of the original organizers of the Westlake-Broadmoor Teen Club and is outgoing president of its adult advisory board.

Allander Serves In SEATO Exercise

Army Pvt. James Allander of Daly City is participating in a Southeast Asia Treaty Organization (SEATO) ground defense exercise with other members of the 503d Infantry in Thailand, June 11 through the 19th.

The exercise, code named DHANARAJATA, is designed to test the capability of SEATO member nations in implementing defense plans against overt aggression, combined staff procedures for military operations and air-ground procedures for SEATO combined forces.

Allander is a mechanic in Support Company of the infantry's 2d Airborne Battle Group regularly stationed on Okinawa.

He entered the Army in October 1962, completed basic training at Fort Ord, Calif., and was stationed at Fort Benning, Ga., before arriving on Okinawa last May.

The 20-year-old soldier, son of Mrs. Gaytha Banes, 36 Ocean Side dr., Daly City, attended Tamalpais High School in Mill Valley.

Reservists Get Duty At Presidio

Three U.S. Army Reservists from Daly City, PFC Norval B. Latrelle, PFC Raymond L. Parodi, and Private David W. Harris, have checked into Headquarters 7TV US Army Corps at the Presidio of San Francisco for active duty training with a slightly new twist.

The reservists, members of a newly formed 6052d US Army Corps Augmentation unit, will train in the offices and in the jobs that they would hold in the event of partial or full mobilization.

The unit will train from June 17 until August 31, with from five to 30 unit members on active duty in two week periods.

In Daly City, PFC Latrelle lives at 72 Fairmont Drive, PFC Parodi at 366 St. Francis Blvd., and Pvt Harris at 40 Westmont Drive.

Marine Pvt. Artau Completes Training

Marine Private Mario L. Artau, son of Mr. and Mrs. Robert Thompson of 161 Bismark st., Daly City, completed recruit training May 16 at the Marine Corps Recruit Depot, San Diego, Calif.

The 11-week indoctrination to Marine Corps life includes intsruction on basic military law, discipline, physical conditioning, and military drill.

Three weeks are spent on the rifle range, where recruits learn to fire the M-14 rifle and receive instruction on other infantry weapons.

Edgar M. Smith Aboard Carrier

Edgar M. Smith, radarman second class, USN, son of Mr. George R. Smith of 789 Arguello blvd., Pacifica, participated in operations aboard the attack aircraft carrier USS Kitty Hawk on June 6 when President Kennedy visited the ship to review a demonstration of naval power.

The Kitty Hawk was among several ships engaged in the massive demonstration for the Chief Executive. The carrier recently resumed operations after a six-week inport repair period in San Diego, Calif.

The ship is scheduled to deploy to the Far East for duty with the Seventh Fleet late in July.

Thomas Colon Serves On Cruiser

Thomas E. Colon, seaman, USN, son of Mrs. Marie Colon of 69 Oakmont dr., Daly City, is serving aboard the heavy cruiser USS Saint Paul, a Pacific Fleet unit which recently participated in First Fleet exercises off the coast of California during the President's two-day visit June 6-7.

The operations included amphibious/mine warfare demonstrations, anti-air warfare exercises involving the attack carriers USS Oriskany and Kitty Hawk, missile demonstrations and anti-submarine exercises.

The Saint Paul is homeported at San Diego, Calif.

Local Men Visit PG&E Facilities

Mel Davis, assistant to the City Manager of Pacifica and James N. Harrah, publisher of the Westlake Times and The Record, are among 30 north county and San Francisco businessmen returning today from a tour of PG&E facilities.

The group left Monday morning to view the hydro-electric facilities on the Kings River. In the area are four powerhouses, including the famous underground Haas unit.

Remedial Reading Program Set

Problem readers of all ages will again be offered an intensive summer program in remedial reading and advanced reading skills, at the Reading Guidance Center, 2411 Ocean Avenue. Two summer sessions are planned, beginning June 17 and July 29.

The Center program includes specialized instruction for students from second grade through college level. For most students a program is planned to include word recognition, reading recall and comprehension, spelling and vocabulary development.

Students at the Center are scheduled in groups of five or less, where they work cooperatively and individually to improve skills and overcome specific difficulties. Groups meet one hour per day, four days a week during the summer session. Tuition for the six week intensive course is $85.

In cases of financial need, some partial scholarships are available. Further information may be obtained by calling The Reading Guidance Center, JU 6-5050. Inquiries are welcomed from parents and teachers on all phases of the reading program.

℞
NEVER TAKE ANY MEDICINE IN THE DARK
Modern drugs are much more potent than past medicines. Taken when indicated, preferably with the advice of a physician, they accomplish almost miraculous benefits.
But any medicine wrongly used can be harmful. Always carefully read the label before taking one. Lock them safely away from children. Don't forget three or four 5-grain aspirin tablets are a fatal dose for an infant. Pharmacists read every label three times before dispensing. Do likewise and be safe.
YOUR DOCTOR CAN PHONE US when you need a medicine. We deliver promptly to Daly City, Westlake and St. Francis Heights without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Pacifican On Attack Carrier

Daniel E. DeBardeleban, interior communications electrician fireman apprentice, USN, son of Mr. and Mrs. E. G. DeBardeleben of 1071 Rio Vista dr., Pacifica, is serving aboard the attack aircraft carrier USS Oriskany, a Pacific Fleet unit which recently participated in First Fleet exercises off the coast of California during the President's two-day visit June 6-7.

The Oriskany's principal role consisted of anti-air warfare exercises conducted with the attack aircraft carrier USS Kitty Hawk.

Other operations included in the exercise were amphibious/mine warfare demonstrations, missile exercises and anti-submarine maneuvers.

The Oriskany is homeported at San Diego, Calif.

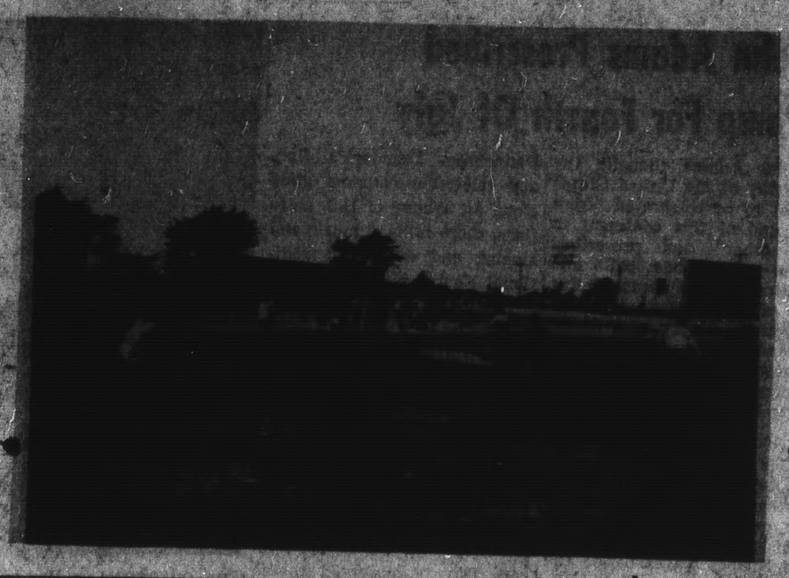
Fuchsias For Color

Fuchsias are quick color plants for gardens that lack bloom in mid-summer. Nurserymen offer them in hanging baskets, in small pots and in larger containers trained up a center stake for display. They are inexpensive, too, when you consider the cost of the container and the time each plant has needed to bring it to its peak of summer perfection.

Chrysanthemums

Chrysanthemums are gross feeders and like a good helping of liquid fish fertilizer every three weeks or so right up to the time their buds begin to show color. We stop feeding at this time—usually in late summer—because an overdose of food at bloom time tends to diminish the brilliance of the bloom, say C.A.N. nurserymen.



Famous Composer Visits Angelo's House of Music

Norman Rouner, arranger and pianist for the Leighton Noble Orchestra at Harrah's Club, Lake Tahoe, stopped in at Angelo's House of Music, 960 Geneva avenue, last week, where he purchased a Thomas Concert Organ for use in his performances.

Mr. Rouner is one of the outstanding composer-arrangers in the country.

KICKBALL — The rubber spheroid flys high and kids go into action at Jeff High playground where they enjoy kickball action at start of Daly City Recreation Department summer recreation program.

Pottery, Paintings In Summer Showings

Pottery and paintings will ead the showings at major an Francisco museums dur- g July with a two-month ummer show scheduled to un through Labor Day at Morrison Planetarium. One luseum will be closed for a eek.

Contemporary Japanese umi paintings and abstract il paintings by the Cali- rnia artist, James Grant, ill be featured at the M. H. e Young Memorial Museum Golden Gate Park. Sumi aintings are literally "ink ictures" on both paper and ilk, framed, on screens and crolls. The Sumi showing pens July 1 and the Grant xhibit, July 11.

Pottery by Gertrude and tto Natzler, at the San Francisco Museum of Art, starting July 2 and "100 Pots" by Shoji Hamada give an unusual underscoring to this art form in July. Hamada is an internationally known Japanese folk potter who is giving a seminar at San Jose State College this summer.

Photographs by Alfred Stieglitz and industrial design awards of the Western Electronics Show and Convention are added features at the Museum of Art, the Stieglitz showing through July 21 and the Wescon display, from July 18.

The California Palace of the Legion of Honor will close for a week after the end of the "Treasures of Versailles" showing on July 7. It will reopen July 13. "Old Master Drawings from Chatsworth," more than 100 drawings by Rembrandt, Rubens, Durer, Holbein and Van Dyck, will be shown starting July 18.

"Life on Other Worlds" will be the summer show at the Morrison Planetarium, starting July 2 and ending Sept. 2. The program of this summer spectacular presents the latest ideas about the possibility of life on other planets in the solar system.

Fairmont Sales Manager Named

William Lynch has been named Sales Manager of Fairmont, Henry Doelger's new multi-million dollar development adjoining Westlake.

Lynch, a native of Santa Cruz, had his own office there before joining the Doelger firm in 1963.

Refund Ordered On Overcharges

The California Public Utilities Commission Monday ordered Pacific Gas and Electric Company to refund to its 1,820,000 gas customers $15,214,525, including $173,790 interest, for the time PG&E has had the money. The refund plan is in accordance with details worked out by the Commission and the utility to give customers the greatest possible refund individually, upon which the Commission insisted.

The refund results because of excessive charges for out-of-state gas by El Paso Natural Gas Company, which it was ordered by the Federal Power Commission to refund to PG&E. The overcharges occurred from April 15, 1955 to December 31, 1957, after which El Paso put another rate increase into effect, also subject to refund.

More than $10,600,000 out of the $15,214,525 will go to residential and other general service customers (PG&E has estimated the refund to residential users will average $4 to $5. It has announced the refund will be made on August bills.)

Today's order provides that residential and other general service customers using less than 400,000 cubic feet of gas from February through May, will receive a refund by credit on their bills. Amount of the refund will be based on each customer's own usage of gas from February through May, 1963.

SOFTBALL — Summer recreation opened this week at playgrounds behind Jefferson High School. The softball games attracted an enthusiastic audience as boys and girls turned out to try their winter hardened muscles in the warm sunshine.

MARINE Private Vincent A. Gonzales, Jr., son of Vincent Gonzales, Sr., of 888 San Diego ave., Daly City, completed recruit training May 16 at the Marine Corps Recruit Depot, San Diego, Calif. The 11-week indoctrination to Marine Corps life includes instruction on basic military law, discipline, physical conditioning, and military drill. Three weeks are spent on the rifle range, where recruits learn to fire the M-14 rifle and receive instruction on other infantry weapons.

Local Students Members Of Honor Society

Topped by twelve students with straight "A" records, one hundred and eighty-six College of San Mateo students have met the exacting standards of Alpha Gamma Sigma, state junior college honor scholarship society, on the basis of grades earned in the spring semester just completed. Membership is granted only to those students who achieve no less than a "B" average and at least 45 honor points on a minimum program of twelve units, excluding physical education. A grade below "C" in any subject disqualifies a candidate from membership.

In the group of students with straight "A" records in all academic work undertaken are Shirley Hendrickson, Daly City, and Timothy Ramsey, South San Francisco.

Included in the complete current membership are the following:

Bayshore: George Garbarino.

Colma: Marina Sushkoff.

Daly City: Douglas Akin, Dennis Cosgrove, Richard Dreesman, Pamela Johnson, Jerry Keefe, Marilyn Laskey, Anna McMullin, Richard Peters, Marilyn Durbin.

Pacifica: Ilse Baer, Howard Lucas.

South San Francisco: Mary Lee Comer, Antionette Knapton, William Martin, Daniel Olander, Vivian Pirrone, Robert Rhea.

Daly City Men Rank High In MONY Sales

Two Daly City life insurance men ranked among Mutual of New York's sales leaders at the end of May.

Eddy Wynschenk, of 61 Park Plaza drive, ranked fifth nationally and second in MONY's 11-state Western sales region in the number of policies sold for the year through May. He also qualified for the company's 100 Club, which is limited to those who sell more than 100 life, health or annuity policies in a year.

Kenneth R. Kimball, of 34 San Miguel, ranked third in the Western sales region in the number of policies sold for the year through May.

Both Mr. Wynschenk and Mr. Kimball qualified for the sixth time for MONY's National Field Club, an annual sales-honor organization.

Bonsai Planting

Are you looking for a garden hobby. Try bonsai, or a variation of it by planting some of your favorite shrubs in small containers and keeping them in check by frequent pinching. Pyracantha, Japanese Maple, various pines, and other conifers make good subjects to start with, according to the California Association of Nurserymen. Heavy wire and selective pruning will make them grow in the shape and direction you want them to.

NOTICE TO CONTRACTORS

1. NOTICE IS HEREBY GIVEN that the Board of Trustees of the Jefferson Union High School District will receive bids for the furnishing of all labor, materials, transportation and services for site work consisting of clearing, grading, asphalt paving, concrete paving, gutters and retaining walls, concrete block walls, fencing, playground equipment, utilities, storm drainage and all appurtenant work on the site of the Jefferson High School, 6996 Mission Street, Daly City, San Mateo County, California.
2. Each bid to be in accordance with the plans and specifications now on file with Falk & Booth, 16 Beale Street, San Francisco 5, California, where same may be examined and copies obtained.
3. Each bid shall be made on a form to be obtained at the office of Falk & Booth, 16 Beale Street, San Francisco 5, California, and must be accompanied by a certified or cashiers check or a bid bond for ten percent of the amount bid, made payable to the order of the Board of Trustees of the Jefferson Union High School District, and shall be sealed and filed with the Clerk of the Board on or before the 9th day of July 1963 at 4:00 p.m. and will be opened in public at or about 4:00 p.m. of that day in the Office of the Superintendent of Schools, 375 South Mayfair Avenue, Room 214, Daly City, California.
4. The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the succesful bidder refuses to enter into said contract after being requested to do so by the Board of Trustees of the Jefferson Union High School District.
5. The succesful bidder will be required to furnish a labor and material bond in an amount equal to 50 per cent of the contract price and a faithful performance bond in an amount equal to 100 per cent of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Trustees of the Jefferson Union High School District.
6. The general prevailing rate of per diem wages and rates for legal holidays and overtime work in the locality in which this work is to be performed for each craft or type of workman or mechanic needed to execute the contract, has been ascertained by the Board of Trustees of the Jefferson Union High School District to be as follows:

CLASS OF WORK	WAGE PER HOUR
Asphalt Ironers & Rakers	3.675
Asphalt Shovelers	3.525
Bulldozer Operators	4.64
Carpenters—Journeyman	4.33
Cement Finishers	4.05
Compressor Operators	3.98
Concrete Mixer Operators to 1 yard	3.98
Concrete Mixer Operators over 1 yard	4.43
Crane Operators	4.93
Electrical Workers	5.00
Form Strippers	3.425
Laborers—Concrete	3.525
Laborers—General Building	3.425
Laborers—Jackhammer Operators	3.675
Laborers—Vibrators	3.525
Multiple Engine Earth Mover	4.93
Plumbers	4.635
Power Blade Operators	4.83
Power Shovel Operator—to 1 yard	4.93
Power Shovel Operator—over 1 yard	5.06
Roller Operators	4.48
Watchman	3.425
Dumptruck Drivers—4 to 6 yards	3.74
Dumptruck Drivers—6 to 8 yards	3.95
Dumptruck Drivers—8 yards and over	4.20

7. The Contractor shall also pay any and all wage rates that may be increased by union contracts in existence prior to award of this contract.
8. All labor to receive time and one-half for overtime, double time on holidays, unless otherwise specified.
9. All other trades not hereinabove mentioned to receive wage prescribed for that particular craft or type of workman.
10. In addition to the hourly and/or per diem wages for the crafts, classifications or types of workman listed above, contractors may be required to make employer payments for health and welfare, pension, vacation and similar purposes as required by the executed collective bargaining agreements for the particular craft, classification or type of work involved.
11. The working days shall be eight (8) hours unless otherwise specified above. The per diem rate shall be the hourly rate multiplied by the number of hours in the working day.
12. The general contractor and his subcontractors shall favor the employment of local labor when available.
13. All bidders must be contractors properly licensed to perform said work.
14. The Board of Trustees of the Jefferson Union High School District reserves the right to reject any and all bids and/or waive any irregularity in any bid received. Unless otherwise required by law, no bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof and the Board will act to accept or reject the successful bid within that period of time unless state funds have been allocated for the work by the Local Allocation Division and no bidder may withdraw his bid prior to the expiration of one week after receipt by said Board of notice of the action taken by said Local Allocation Division.

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN: That the County Planning Commission of the County of San Mateo, State of California, did, by resolution thereof, adopted at a regular meeting thereof, held on the 12th day of June, 1963 after following the procedure specified by law, approve a certain amendment to Part I, Division VI of the San Mateo County Ordinance Code, being the Land Use Plan Ordinance of the County of San Mateo, and did adopt that plan as an amendment to the Master Plan of said County, and did recommend that the Board of Supervisors of said County adopt said proposed amendment, which amendment is as follows:

That Section 6115, Sectional District Map No. 1.1 & 1.2 of the County of San Mateo, State of California, be amended so as to reclassify Blocks 6, 7, & 10, 11 and abandoned streets, Korte Subdivision; Lots 1, 2, 3, 4, 5, 29 and ptn. of 27, 28, 30 and ptn. White Street abandoned, R.R. White Tract; Ptn. of acreage, Stewart, Jr., Section School Dist.; 118.75' x 120.00' on White St., being ptn. of Lot 12, R.R. White Tract; Lots 633 through 644 inc., 676 through 688 inc., and ptn. of Lot 687, 677, 675, Broadmoor Village No. 4, from A-1/B-10 (agricultural - 20,000 sq. ft. min. lot area per dwelling unit) district to R-1/B-7 (single family residential - 7000 sq. ft. min. lot area per dwelling unit) district.

As said amendment is shown on a map entitled, 'Proposed Amended Sectional District Map No. 1.1 & 1.2 of the Land Use Plan Ordinance of San Mateo County, a certified copy of which map is on file in the office of the Secretary of said Planning Commission at the Courthouse, Redwood City, California.

NOTICE IS HEREBY FURTHER GIVEN: That said Board of Supervisors in regular meeting assembled on the 18th day of June, 1963 did set a certain time and place for a public hearing on said proposed amendment, at which time and place all persons interested therein may appear and be heard thereon, which time and place is as follows:

At the hour of 10:00 a.m. on the 9th day of July, 1963 in the Chambers of the Board of Supervisors in the Hall of Justice and Records, Redwood City, California.

John A. Bruning, County Clerk and Ex officio Clerk of the Board of Supervisors of the County of San Mateo, State of California

0247: June 26, 1963.

(LEGAL ADVERTISING)

NOTICE OF PUBLIC HEARING NORTH SAN MATEO COUNTY SANITATION DISTRICT

NOTICE IS HEREBY GIVEN that pursuant to Section 5473 of the Health and Safety Code of the State of California, the Board of Directors of the North San Mateo County Sanitation District has by Ordinance elected to collect its charges for the fiscal year 1963-1964 for sewerage services provided to property located outside the boundaries of the District on the tax roll in the same manner as its general taxes, and has caused to be filed with its Secretary a written report containing a description of each parcel of real property outside the boundaries of the District and receiving sanitary sewerage service from said District and the amount of the charge for each such parcel.

NOTICE IS FURTHER GIVEN that on Monday, the 15th day of July, 1963, at the hour of 11:15 o'clock A. M. at the regular meeting place of said District, North San Mateo County Sanitation District Sewage Disposal Plant, 150 Lake Merced Boulevard, Daly City, California, said Board will hear and consider all protests and objections to said report.

By order of the Board of Directors of the North San Mateo County Sanitation District.

June 17, 1963.

MARIE J. MUYLAERT
Secretary, North San Mateo County Sanitation District

0234: June 19, 26, 1963.

NOTICE OF TRUSTEE'S SALE

Escrow No. 52470

On Wednesday, the 17th day of July, 1963, at the hour of 2:30 o'clock P.M., of said day, in the lobby of the City Hall, Daly City, County of San Mateo, State of California, BAY COUNTIES TITLE GUARANTY COMPANY, a California corporation, as Substituted trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the City of Daly City, County of San Mateo, State of California, and described as follows, to-wit:

Lot 7 in Block "C" as shown on that certain map entitled "Map of Edgewood Terrace, Daly City, San Mateo County, California," filed in the office of the County Recorder of San Mateo County on March 22, 1943 in Book 26 of Maps, at pages 41 and 42.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Donald J. McMenomy and Norma F. McMenomy, his wife, as joint tenants, to Western Title Insurance Company, a corporation, as trustee, for the benefit and security of James H. Goulden and Frances M. Goulden, his wife, dated November 20, 1961, and recorded December 13, 1961, in the office of the County Recorder of the County of San Mateo, State of California, in Liber 4111 of Official Records at page 676.

Dated June 14, 1963.

COMPTROLLER OF THE CURRENCY

Treasury Department of the United States, Washington, D. C.

Whereas, satisfactory evidence has been presented to the Comptroller of the Currency that "First National Bank of Daly City," located in Daly City, State of California, has complied with all provisions of the statutes of the United States required to be complied with before being authorized to commence the business of banking as a National Banking Association;

Now, therefore, thereby certify that the above-named association is authorized to commence the business of banking as a National Banking Association.

In testimony whereof, witness my signature and seal of office this 30th day of April, 1963.

(SEAL)

(signed) JAMES J. SAXON,
Comptroller of the Currency.
Charter No. 13068

0187: May 8, 15, 22, 29; June 5, 12, 19, 26; July 3, 1963.

Stockholders Approve Merger For Crocker-Anglo

Shareholders of Crocker-Anglo National Bank at a special meeting held last week in San Francisco, approved the proposed merger between Crocker-Anglo and Citizens National Bank of Los Angeles by an overwhelming majority, it was announced by Chairman of the Board Paul E. Hoover. Similar approval of the merger was granted by the Citizens shareholders at a special meeting held in Los Angeles two days ago.

The resulting institution, Crocker - Citizens National Bank, would have assets approximating $3.2 billion and, with more than 200 offices in operation, would be the second largest banking system serving both northern and southern California.

SUMMONS TO ESTABLISH TITLE

No. 185283

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

B.R.B. HOMES, INC., a California Corporation, Plaintiff, vs. All Persons Claiming Any Interest In or Lien Upon the Real Property Herein Described, or Any Part Thereof, Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA:

To all persons claiming any interest in, or lien upon, the real property herein described, or any part thereof, defendants, greetings:

You are hereby notified to appear and answer the complaint of B.R.B. HOMES, INC., a California Corporation, plaintiff, filed with the Clerk of the above-entitled Court and County, within three months after the first publication of this Summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situated in the City of Daly City, County of San Mateo, State of California, particularly described as follows:

All that certain real property situate in the City of Daly City, County of San Mateo, State of California, described as follows:

Lots 97 and 98, as designated on the Map entitled "MAP OF THE PROPERTY OF THE WEST END HOMESTEAD ASSOCIATION," which map was filed in the office of the Recorder of the County of San Mateo, State of California on January 25, 1868 in Book 4 of Deeds at page 415. EXCEPTING THEREFROM so much of said lots as lies within the City and County of San Francisco.

And you are hereby notified that, unless you so appear and answer, the plaintiff will apply to the Court for the relief demanded in the complaint, to-wit: That it be adjudged that the plaintiff is the owner of said property in fee simple absolute; that its title to said property be established and quieted; that the Court ascertain and determine all estates, rights, titles, interests and claims in and to said property, and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, and whether the same consists of mortgages or liens of any description; that plaintiff recover its costs herein and have such other and further relief as may be meet in the premises.

WITNESS my hand and seal of the Court.

Dated June 12, 1963.

No Never!

Even though we spend most of our days in a spin, it appears we just don't go around in the right circles.

Just when we discovered that the beauty shops have a new slogan: "Never Say Dye," and were about to comment on it, there came a haughty snort from our advisor on such subjects:

"That word 'dye'," she said, "has not passed the lips of an avante (that's French for hep) beautician for more than 20 years!"

But," we sputtred, "now-a-days, when the gals change their hair like they change the minds under them, what do they ask for?"

"Haircoloring," she said patiently, "is today's word."

So there you have it. But, we didn't get off that easy. It seems that, in the old days, there was something pretty irrevocable about getting your hair dyed. It took the courage of a Joan of Arc to go through with it. And if the lady (or her boy-friend) didn't like it afterward, she needed the patience of a Penelope (who waited 20 years for Ulysses to come home from a fight he got into about a horse) to correct matters. Her hair had to "grow out," which meant being sentenced to six months or more of two-toned tresses.

"But," we sputtered, "nowadays, when the her crowning glory with less concern than a man deciding on a necktie to match his morning mood. And why not? If she changes her mind tomorrow, she can get that haircolor washed out and try another one.

Thus today, as never before, the words of the poet may be taken at face value:

"Age cannot wither her, nor custom stale
Her infinite variety."

But she had better, never, never say "dye."

Election Tampering

To the surprise of practically no one, a number of Democrats have been taking advantage of their party's ascent to power in the Legislature by attempting to change the state's election laws to their advantage. To the surprise and delight of many more, the Democratic legislature has done a commendable job of thwarting the most dangerous schemes.

A switch in the rules of absentee voting was an early victory for Unruh-led Demos. But that restrictive law, requiring that such ballots be returned three days before an election, already has been amended to permit receipt up until 5 p.m on election day.

An effort by Assemblyman Tom Bane, of North Hollywood, to permit use of pencils in marking ballots—an old Chicago standby—was successful in the lower house. But another Bane measure, permitting voting by persons who could not read or write English, provided they were accompanied into the voting booth by another person, was defeated. The implications of that one are obvious.

Most recent of Bane's attacks on our election laws would have restricted special elections to one hand-picked candidate from each party. It is quite true that many a special election victor has polled less than 25 per cent of the total vote, due to a multiplicity of candidacies. Yet to restrict the field to one per party would give a special tactical advantage to the Democrats, who hold the registration advantage in all but three or four California counties. Bane's Democratic colleagues overrode him, however, and agreed on primary elections as the nominating method.

The people of California will support sincere and well thought out efforts to make elections honest and effective. But distortion of the laws that leave less choice to the independent voter will, we hope, always meet strong opposition.

THE AMERICAN WAY

Needed: More Freedom and Less Interference

The View From ... Behind the Badge

Written and Edited by Daly City Police Department

The Wanted Flyers . . .

We send wanted persons bulletins to all jurisdictions in the state for those criminals who have avoided apprehension the longest. Those who are presently wanted are listed here.

Joseph Andrew Corey —

We hold felony warrant No. 19125 signed by Judge Charles Becker for this bad check man. He is 40, 5-9, 172 pounds, of stocky build, blue eyes, brown balding hair. He is a caucasian who has worked as a drapery man and who likes to pass bad checks. He is known to be in the area now.

Gerald Wendall Hilton —

We hold felony warrant No. 20048 signed by Judge Charles Becker for this thief. He is 30, 5-11, 162 pounds, of medium build, blue eyes and blonde or brown hair. He is a caucasian who has worked as a welder, mechanic and car salesman. He speaks fluent Spanish and may be driving a 1954 Mercury Hardtop, white over black, license number BPW-053, 1956 series, and bearing a paper plate No. 1675501.

Frank Raymond Beale —

We hold felony warrant No. 18282 signed by Judge Charles Becker for this bad check man. He is 41, 5-7, 165 pounds, of medium build and with brown hair and eyes. This caucasian is a consistent check passer.

Shawn Mallory —

We hold a felony warrant signed by Judge Charles Becker for this thief. He is 38, 5-10, 160 pounds, of slender build, and with brown hair and blue eyes. This caucasian has worked as a bartender, cab driver and card dealer.

Apprehended . . .

We have cancelled two wanted flyers within twelve hours. In one case the arrest was directly attributable to the wanted flyer. They concerned the following persons:

Jesse Cervatez —

This was a burglar who fled from this town after learning that he was being sought by the police here. He crossed the nation, stole a car in New York, and drove back to this area. He was arrested by a San Francisco policeman in the car and booked for violation of the Dyer Act.

He was prosecuted by the FBI for the federal crime, and is presently in the process of being prosecuted in this jurisdiction for the burglary.

Elesandro Alex Garcia —

This was a check writer for whom we held a felony warrant. A Sacramento policeman read the flyer, then knocked on his door and arrested him. He was transported back to Daly City and booked. He was then brought to court and tried on the charges.

Garcia was convicted. He now faces trial in Santa Cruz for the crime of robbery.

We presently have room for one additional wanted person among the customary five wanted persons. The procedure of selection is to review all of our wants and to select the man who is most wanted for the honor of inclusion.

The requirements for consideration are that the person must have committed a felony, that we hold a valid warrant of arrest, and that we have a photograph, snapshot or mug shot photo to print upon the flyer — then Shelby Ross prints a handsome wanted persons flyer and it is distributed throughout the state.

It seems to work.

Grow Your Herbs

Most popular herbs are available in pots at local C.A.N. nurseries, and most of them can be kept in pots to become features at barbecue time. They require no special care other than watering and are probably more aromatic when no fertilizer is given them. You'll be amazed at the difference in aroma between the fresh and dried herbs, too.

Something for Everyone

By Samuel Chandler

In 1863 Arundel C. Hull placed his mother's body on a hand sled and pulled it seventy-five miles to a railroad station. Then he rode with it on the train to Indiana where it was buried in the family plot.

After returning to his home in St. Cloud, Minnesota, he closed his business and started west carrying with him a cloth covered box containing his camera and developer.

His first journey took him through the settlements of the Rocky Mountain territories. All along the trails he traveled, he found hundreds of subjects for his pictures of the "Old West."

Among his pictures are shots of a Sioux tepee village near the modern city of North Platte, Nebraska, of sod houses on the prairies, of stagecoaches, mining camps, of Denver and Cheyenne when they had less than 5,000 people, of army camps, hangings, vigilante trials.

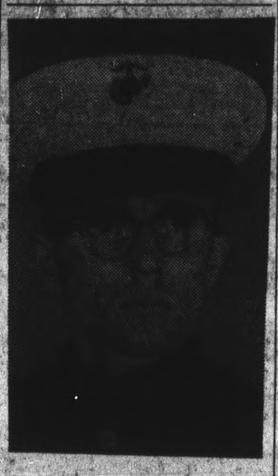
He was at Promontory Point, Utah in 1869 when the cross continental railroad was finished. He was in Denver when the vigilantes rounded up the outlaws and hanged them one by one.

In 1869 Mr. Hull joined William H. Jackson to provide the Union Pacific Railroad with a thousand stereotyped photographs of scenes along the new railroad. This carried both Mr. Hull and Mr. Jackson to lasting fame as photographers.

Afterwards, Mr. Hull established a business in Fremont, Nebraska. Although he saved his negatives, many of them were destroyed by someone who was ignorant of their value. Those that were salvaged have been printed in a book entitled "Shutter West," by his daughter Nina Hull Miller.

The pictures so published are scenes on a broad scope. They are clean and interpretative showing that Mr. Hull was a true pioneer in production of photographic art.

This book takes its place beside Drigg's and Jackson's "The Old West Speaks;" Beebe and Clegg's, "The American West," and the American Heritage's, "Book of the Pioneer Spirit," as a contribution to the preservation of a significant position of American History.



MARINE Private Fredrick R. Lahr, son of Mr. and Mrs. Wallace A. Lahr of 146 School st., Daly City, completed recruit training May 16 at the Marine Corps Recruit Depot, San Diego, Calif. The 11-week indoctrination to Marine Corps life includes instruction on basic military law, discipline, physical conditioning, and military drill. Three weeks are spent on the rifle range, where recruits learn to fire the M-14 rifle and receive instruction on other infantry weapons.

TV and RADIO

By Mona Baker

An important part of all television and radio programming is religious shows. Both local and network stations devote many hours each week to such shows. In the Bay Area there are four weekly television programs and twenty weekly radio shows.

Responsible for many of the programs is the Communications Department of the San Francisco Council of Churches. Two local community leaders are participating in the broadcasts. The Rev. Lynn Hodges who broadcasts on "People and Places" over KFRC and Ken Gilelspie, head of the Council's communication department.

Held recently was the first executive meeting of the Bay Area Council of Churches and television committee

The purpose of the meeting was to coordinate the activities of all the councils for radio and television broadcasts. Also discussed were plans for coming religious programs in the fall. An important addition to the schedule will be a new dramatic family life series on KRON. Also a new radio series is planned for the summer over KCBS titled "Faith and Life."

Summer season seems to be the time for repeats and many times in watching television and we have the feeling that "this is where we came in." We look in vain for new additions to the schedule. That is why we are glad to draw your attention to ABC's "Focus on America" series which will present twelve documentaries on a variety of subjects which were produced by network stations through the country. Many times the locally produced programs tackle an unusual subject which gives a refreshing look to the television schedule and the programs consistently are of the highest caliber. Make a note of the date and time (Tuesdays, 10:30 p.m.) and do tune in.

COMING PROGRAMS: Premiering this week over KRON-TV, new series on semantics to be seen on Sunday, 2:30 p.m. Also an important date on Channel 4 repeat of excellent program "World of Bob Hope" to be shown on June 27, 10 p.m.

Schedule for July 1, 8 p.m. another in excellent KPIX series "San Francisco Pageant" which documents "The Restless Crowd—San Franciscans on the Move."

Good news from KQED is that the outstanding series of British films "Flicks on the Telly" will be seen on Fridays at 8:30 p.m.

Letters to The Editor

Dear Editor:

The YWCA of No. San Mateo County wishes to thank you for your assistance and cooperation with our publicity during the past year. The YWCA members rely on your publication for pertinent information about "Y" activities.

It has been a pleasure to work with your paper and to be able to depend on your accurate reproduction of articles sent to you by the YWCA.

Sincerely yours,
Dorothy Orton
(Mrs. Collins Orton)
Publicity Chairman,
YWCA of No. San Mateo County

Editor
Westlake Times
3317 San Jose Avenue
Daly City, California

Dear Editor:

The generous amount of space your paper has given for the YWCA's Westlake Y-Wives' publicity has been a great help in the continued success of their weekly get-togethers.

Also appreciated is Mona Baker's added information in her column which helped to stir interest in the programs the Y-Wives group has to offer the women in the community.

With Bunny Gillespie's editing and novel titles, attention was attracted to the articles written to let the public know the services available in connection with this group.

When I say "Thank You" to the Westlake Times and Daly City Record it is meant most sincerely not only by me but from the Y-Wives officers.

Appreciatively,
Antonette Hersom
Publicity Chairman

EXTINCT VOLCANO

If you've ever wondered what the inside of an extinct volcano looks like, you can get a good look-see at Red Mountain near Flagstaff in Arizona.

Here Mother Nature has cut away one whole side of what was once an active volcano to reveal the strangely twisted and colored formation of rock.

CHURCH NEWS

Congregation Judea Program Announced For Summer

Congregation Judea announces that its High Holy Day Services this year will be held on Brotherhood Way adjacent to Park Merced, San Francisco at the Church of Christ. Services will be within close proximity of residents of Park Merced, Lakeshore, Lakeside, St. Francis Woods, Ingleside Terrace, Westlake, and the Northern Peninsula.

Rabbi Herbert Morris and Cantor Harold Wachter will officiate. Traditional music will be provided, augmented by the choir, directed by Dr. W. Leonard Beck, organist. All interested in obtaining seats are requested to contact the Temple office, 95 South Mayfair, Daly City, PL 5-6362.

Class Pre-Registration

Religious school classes are rapidly being filled for the fall term commencing in September. Children, ages 3 years 9 months (one year prior to public school enrollment) and up are eligible for registration. In addition to Sunday morning classes, week day Hebrew School is available for preparation leading to Bar and Bas Mitzvah, affiliated with the Bureau of Jewish Education of San Francisco.

For further information please contact the Temple office, 95 South Mayfair Ave., Daly City, PL 5-6362. Membership in Temple Judea includes both Religious School enrollment and High Holy Day Seats.

Sabbath Eve Services

Congregation Judea announces that regular Sabbath evening services are continuing throughout the summer on Friday night at 8:30 p.m. at the Temple House, 95 South Mayfair Avenue, Daly City. Everyone is cordially invited to attend the services and the social and reception following.

BETHEL LUTHERAN vacation Bible school, fifth grade class headed by Pastor Herbert P. Schroder (left) with Mrs. John Moreno. The program, for all children of school age, ends June 27.

Salvation Army Needs Useable Discard Items

The Salvation Army Men's Social Service Center, where a work therapy program is being carried on, needs your household discards of all kinds now. Captain George Duplain, Manager of the Center at 1500 Valencia Street, San Francisco, states that donated items are repaired and made attractive and useful by those in the work program. These items are then sold through the Thrift Shops and the revenue derived therefrom supports the Center.

The Rehabilitation Center gives those suffering from alcoholism and related emotional situations guidance so they may again take their places in society. We urge you to contribute your discarded household items such as clothing, small appliances, toys, etc. to the continuation of this fine program.

"Your throw aways make work that pays!"

Daly City Man To Attend Lutheran Regional Confo

Herbert J. Kraling, 114 Westlawn avenue, Daly City, district representative for Lutheran Brotherhood, will attend a regional conference to be sponsored by the fraternal life insurance society June 30 through July 3 at Del Monte Lodge, Pebble Beach, California.

Mr. Kraling is a member of the Lavern H. Peters agency, Lafayette. He qualified for the conference through his personal production of new business.

Representing Lutheran Brotherhood's home office in Minneapolis on the conference program will be Carl F. Granrud, president, and John W. F. Lienemann, vice president and director of agencies.

Principal speakers will include R. L. McMillon, Abilene, Texas, 1962 president of the National Association of Life Underwriters; Harold Lunde, professor of economics at Macalester college, St. Paul; Dr. Kenneth McFarland, Topeka, Kan., of the General Motors public relations department, and Bill Gove, Coral Gables, Fla., president of Bill Gove Organization, sales consultants to A. C. Division of General Motors and Braniff Airways.

Self Understanding Baptist Sermon Topic

Sunday, June 30, at 9:30 a.m. the pastor, the Reverend Robert A. Lundy, minister of St. Paul's Methodist Church, South San Francisco, will preach on the theme, "Understanding Ourselves." Music will be furnished by a duet composed of Mesdames Christine Pope and Charles (Lois) Minick.

The annual Vacation Church School is planned to begin on Monday, July 8 and continue until July 19.

Pastor Returns From Baptist Conference

At the 7 p.m. Evening Gospel Hour of the Westside Baptist Church, Southwood Drive and Hill Streets in South San Francisco, June 30, the pastor of the church, and his wife, who just returned from the Baptist General Conference Annual Meeting, held this year at the University of British Columbia, Canada, campus, will give highlights of the Conference. Both the pastor and Mrs. Donnelly, also attended the Christian Education Congress, held at the University on June 21 and 22.

Delegates and pastors from all of the Baptist General Conferences Churches of Canada and the United States were in attendance, as well as many missionaries, both of the Home Mission Board and the Foreign Mission Board were in attendance.

B'nai Israel Plans Plaque Dedication

A special dedication service will be conducted by Rabbi Shore and assisted on the organ by Ilse Hartmann on Friday evening, June 28 at 8:30 p.m. Members of the congregation, their friends and relatives are invited to the unveiling of the new, modern, cast in bronze, electrically lit, Memorial Plaque, and also to the Oneg Shabbath following the service in the social hall.

This was all made possible through the efforts of Paul Lichtman, Chairman of the Memorial Committee, who helped to raise money through the generous donations from members and friends of the congregation. Anyone wishing to have names added to the plaque in memorium of loved ones may do so by contacting Paul Lichtman at PL 6-1930.

B'nai B'rith Council Plans Honor Service

The San Francisco Council of B'nai B'rith Women is planning a B'nai B'rith Sabbath Service in honor of District No. 4 President, Mrs. Harry Tauber at Temple Judea, 95 South Mayfair, Daly City on Friday, July 12, at 8:30 p.m.

All chapters in the San Francisco council are participating in this first B'nai B'rith Sabbath with Rabbi Herbert Morris and Cantor Harold Wachter in charge of the service.

Refreshments will be served following the service. For further information please call Mrs. Abe Ight at PL 5-7760 or Mrs. Marvin Cohen at JU 7-9650.

Catholic Men Hold Annual Installation

The Westlake Catholic Men of Our Lady of Mercy Parish held their annual Installation Breakfast at Joe's of Westlake on Sunday, June 9, 1963.

Outgoing president, Charles Wester introduced the newly appointed officers for the 1963-64 term. The president's gavel was turned over to Dick Hoedt.

Other officers installed were: John Champagne, vice-president; Larry McCaffrey, secretary; Jim Diggins, treasurer; Bob Foppiano, festival; Paul Hovorka, social; Bud McAuliffe, Thursday entertainment; Frank Lawson, Holy Name; Rod Page, youth; Howard Poblitz, building maintenance; Barry Churton, membership; Dick McHugh, parochial school representative; Bob Brown, historian; Roy Pasini, publicity.

New Families Join Our Redeemer's Church

Reception of new members will be made, when the names of the families to join with Our Redeemer's will be read, Sunday at 11 a.m.

New families include: Mrs. Fannie Jernigan, Mrs. Conda Heady and children, Mr. and Mrs. Keith Barrow and family, Mrs. Betty Leland and family, Mr. and Mrs. Joachim Mueller and family, Mr. and Mrs. Martin Tarbox and family and Mr. and Mrs. Lee Towry and family.

This represents a total of twenty-seven individuals.

Colma Man At Special School

Edward J. Lee, a representative of the Aetna Casualty and Surety Company at Colma, is attending a special insurance course at the company's home office.

The five-week course provides comprehensive instruction in all forms of insurance protection for both individuals and business firms. Practical aspects are stressed with particular emphasis placed upon the study of new methods and developments designed to meet changing conditions.

Mr. Lee is manager in the David H. Walker Company.

RED ROVER was the name of the game being played at Broadmoor Presbyterian Church summer school this week by children in the primary classes. The annual Vacation Church School is held for a two-week period beginning June 17 and ending June 28.

Guest Speaker At Westlake Lutheran Sunday

Mr. Jay Spoonheim, a student at Pacific Lutheran Seminary in Berkeley, will be the speaker at Westlake Lutheran Church Sunday.

Pastor Kenneth Hansen will be doing graduate study at Pacific Lutheran Seminary for three weeks, taking two courses; "Pastorial Counciling" and "Parables of Jesus."

There will be an adult Bible study class at the Church each Wednesday at 7:30 p.m.

Daily Vacation Bible School will be held this summer at the Church, August 5 through 9. Registrations may be mailed to Mrs. Richard Taylor or Mrs. Jeannette Levig.

A Confirmation Reunion was held at the Church Sunday, June 23, at 5:30 p.m. A banquet was given to welcome the new Confirmants into the Luther League. The newly confirmed young people are Luana Anderson, Eloise Gordon, Julie Laingen, Charles Phelps and Pamela Stoa.

The seventh grade Sunday School Class will meet at the home of Mrs. Jeannette Levig, 1339 So. Mayfair Ave., each Wednesday from 2 to 4 p.m., to construct models from the Old Testament of Biblical structures and scenes to provide a meaningful background to deepen the children's enjoyment, appreciation and understanding of the Scriptures.

New Salvation Army Drop Box

The Salvation Army announced today the location of a new Drop Box at Cala Food Market in Daly City.

Repairable clothing, toys, shoes, hats, and other small items may be dropped in the box and will be picked up daily by Army workers.

Items contributed will be used for the Salvation Army Men's Social Service Rehabilitation program.

THICKER HAIR—A HEALTHIER SCALP
GUARANTEED BY AMAZING NEW METHODS
S. I. Turoff, well-known scalp authority opens a 6-day hair clinic to demonstrate remarkable new scientific methods, that stop hair loss, eliminate dandruff and help grow stronger, thicker hair; We offer complete introductory hair and scalp treatment for $2 during Clinic Week—next 6 days.
QUESTION: IS BALDNESS INHERITED?
ANSWER: Definitely NOT. WE MAY INHERIT A TENDENCY to baldness, not baldness itself.
QUESTION: What causes baldness?
ANSWER: Many things, among them excessive dandruff, poor circulation, neglect. It takes a professional to determine the factors in each individual case.
QUESTION: What can be done about baldness?
ANSWER: No matter WHAT stage of baldness you have reached, your hair can be regrown with proper treatment, if the roots are alive.
S. I. TUROFF
Director California
TUROFF CLINICS
FIRST REMARKABLE TREATMENT Next 6 Days To New Clients
What ARE the Danger Signals
These are definite warnings, and everyone can recognize them. DANDRUFF means there are bacteria at work. If they are not removed, they choke off the hair roots, a bald spot soon appears, and baldness spreads until you are completely bald. The same is true of EXCESS FALLING HAIR and ITCHY SCALP. In fact, anything but a healthy, good-looking head of hair means something is wrong and you MAY BE ON THE WAY TO BALDNESS. The longer one waits, the more advanced the condition.
AMAZING NEW METHOD MUST BE EXPERIENCED to be APPRECIATED
$2 is the complete charge for your first remarkable TUROFF treatment during this SPECIAL CLINIC, for the next 6 days. If YOUR hair is thinning, over dry, or over oily—if you are troubled with dandruff, increasing hair loss, come in and see us during this special clinic for the next 6 days.
If the FREE examination shows we can help you, your very first TUROFF treatment will cost you just $2.00. Our guarantee: YOU MUST BE SATISFIED WITH THE WONDERFUL RESULTS IN JUST 4 TUROFF TREATMENTS OR YOUR MONEY BACK. Find out why thousands of happy Californians have made us California's biggest, with many busy offices.
No Treatment Like This Anywhere—Prove It to Yourself!
Hours: Daily 11 a. m.-8 p. m.—Sat. 10 a. m.-3 p. m.—Thur. 4 p. m.-8 p m
WESTLAKE: 15 Southgate Ave. (Suite 256) PL 5-9677
Also San Mateo, San Francisco, Oakland

If you'd just inherited $2,474,312—where would you go?
(Where else—but to the bank!)
When your first thought is the availability and safety of your funds, make your first stop the nearest bank. The minute you put your money into a savings account it starts to earn full bank interest—*computed daily*. And whenever you want it, you *know* you'll receive the entire sum—with no red tape or disappointments. When you add up these advantages, you'll find they mean one thing: money in the *bank*.

Taxable Sales Rise In Daly City

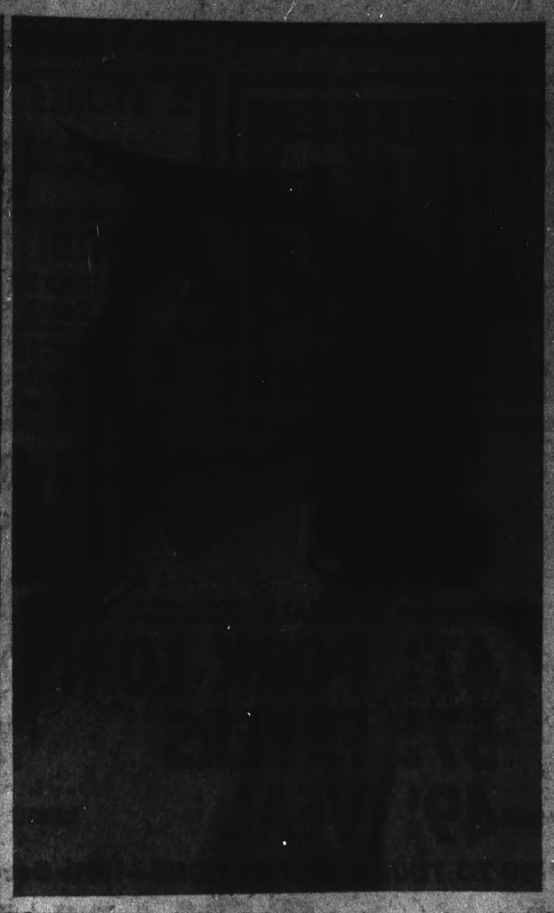
Daly City merchants sold $15,255,000 in taxable goods during the last quarter of 1962 according to figures released this week by the State Board of Equalization.

Retail stores lead with a total of $13,600,000, while manufacturing, wholesaling, contracting and miscellaneous outlets did $1,145,000. Business and personal services had $482,000 and itinerant and mail-order vendors had $28,000 in taxable sales.

A breakdown of sales by classifications of retail stores is as follows: Apparel stores, $1,191,000; General merchandise stores, $1,775,000; Food Stores (taxable only) $1,410,000; Packaged liquor stores, $1,443,000; Eating and drinking places $1,004,000; Drug stores, $569,000; Home furnishings and appliance stores, $560,000; Building materials, $647,000; Motor vehicle dealers, $4,992,000; Service stations and auto supply stores, $257,000; other retail stores, $452,000.

As these figures are for only taxable items and do not include non-taxable sales such as food, the total business done during the last quarter of 1962 exceeds the total figures of $15,255,000 by about 25 per cent.

Taxable sales for all of San Mateo county were up 13.5 per cent for the quarter.



HOSTESS of the 24th annual Redwood City rodeo is 18-year-old Teda Lane. She and her pinto "Snort" will appear in the annual Redwood City Fourth of July parade and ride in the grand entries of the four radio performances. They are scheduled for 2 p.m. on July 4, 6, and 7 and at 5 p.m. on July 5.

Youngsters Ready For Junior Rodeo

Mrs. Edith Chamberlain McDonald's ranch, three miles west of Skyline Boulevard on La Honda Road, above Woodside, will be the setting for the Tenth Annual La Honda Junior Rodeo Sunday afternoon, June 30, starting at 1 o'clock.

More than 300 youngsters, ranging up to 18 years of age, will gather from all parts of Northern California and Southern Oregon to compete for prize buckles, hats, ribbons, and merchandise orders. Scheduled contests include steer and calf riding; calf and break-away steer roping; pig scrambles; trail and stock horse classes, Pony Express races and barrel races.

The event, sponsored by the La Honda Community Hall Association, is a benefit aimed at providing funds for community activities for the local La Honda young set.

The public is invited to attend and bring picnic lunches. Refreshments will also be sold on the rodeo grounds, which provide ample parking space and large picnic area.

POETIC THIEF
If you're going to steal street signs, you might as well steal those that have about them some air of poetry, romance, and emotional color.

That's what a thief down in Arizona did, reports the National Automobile Club, when he strolled into a subdivision one moonless night and strolled away with such street signs as "Nonchalant Avenue," "Carefree Drive," "Mule Train Road," "Breathless Drive," and "Up and Down Place."

Brownies Hold Fly-Up

Recently, the nine members of Brownie Troop 586 held their fly-up ceremony in the parlor of Seacliff Community Church. Following the ceremony, the girls and their families shared a buffet dinner. The new Girl Scouts are Christine Blanchard, Marcia Bruno, Laurie Bussenius, Betsy Dvorsky, Laurie Elchinoff, Margaret Milani, Christine Picchi, Galyn Ryan and Cindy Toner. The girls are looking forward to their first year as Girl Scouts under the leadership of Mrs. Marjorie Milani.

Last week eight members of the troop enjoyed a two day camp-out at Butano Creek in the mountains above Pescadero. The girls cooked their meals out-of-doors, hiked along the trails in the lovely redwood forest, went wading in Butano Creek, discovered deer tracks near their cabin, and tried thier hand at sketching.

The girls who camped were Christine Blanchard, Marcia Bruno, Laurie Bussenius, Betsy Dvorsky, Laurie Elchinoff, Margaret Milani, Christine Picchi, and Galyn Ryan along with their leader Mrs. Marjorie Milani and Mrs. Barbara Bruno, Mrs. Lorraine Bussenius, and Mrs. Carol Picchi.

Hand Signals Urged For Bicycle Owners

The traditional summer upsurge in bicycle usage brought a reminder for youngersters from California Highway Patrol Commissioner Bradford M. Crittenden this week.

"Remember that a bicycle is a vehicle, and is subject to applicable vehicle laws. Bicycle riders must use the proper hand signals when turning, they must obey all traffic control signs and signals, and they must ride on the right-hand side of the road.

"The latter provision is one of the most frequently violated requirements," the commissioner pointed out.

"For night-time riding, bikes must be equipped with a white light in the front, visible at least 300 feet, and a red reflector or red light on the rear, also visible 300 feet."

The commissioner also cautioned motorists to be particularly watchful for youthful bike riders.

"With school out, bicycle riders may appear at unusual times and at locations where you ordinarily would not expect to see them."

FORT UNION
Fort Union, New Mexico, is reported to have been for a number of years the largest United States military fort west of the Mississippi River.

The driver who stays alert stays alive, points out the National Automobile Club.

Bayshore School District Meeting

The regular monthly meeting of the Bayshore School District Board of Trustees will be held on Monday, July 1st at 2:00 p.m. instead of Tuesday, July 9th at 8:00 p.m.

Handicapped Children Helped By The League

Many children are running off to camp and other exciting vacations this summer, just as many, or perhaps even more, children with handicaps and with little money will be left home, idle, lonely, and feeling left out by the human family.

California League for the Handicapped is eager to fill the gaps for these children. The League has planned a six weeks day camp program, beginning July 2 and continuing to August 13.

Tuesday, Thursday, Saturday, 9:30 a.m. to 1:30 p.m.

Sharon Building in Golden Gate Park near 3rd and Lincoln.

Activities will include swimming, bowling, skating, fishing, folk-dancing, crafts, cookouts, creative dramatics and many exciting visits around the bay area.

The League appeals to volunteers, particularly in the Stonestown, Daly City and adjacent areas for drivers willing to take turns in picking up the children and returning them home on these days. This service will change a handicapped child's summer from one of dreariness and dispare to one of joyous living.

Volunteers should phone the League at PR 6-3022 or write California League for the Handicapped, 909 Hyde Street, Room 630, San Francisco 9, California.

Cadet R. Grandy Completes 1st Year

Cadet Reed Clinton Grandy of Daly City, California, has completed the first year curriculum in Air Science of a four year program.

During the freshman year the program consisted of subjects such as the Factors of Aerospace Power, Major Ideological Conflicts, and Aerospace Leadership.

In addition to the regular class work he was able to participate in monthly cadet socials, drill teams with and without weapons, and was offered motivational base visitations to various Air Force Bases in the Western United States and was transported to and from these Military Bases via Military Aircraft.

Cadet Reed Clinton Grandy has been accepted in the Sophomore phase of Air Science and upon completion of this second phase will be eligible for acceptance in the Advanced AFROTC Program.

Daly City Teacher Studying French

Eileen E. Murphy, of Daly City, is among 60 elementary school teachers of French and Spanish who are participating in the fifth annual Summer Language Institute being held on the Louisiana State University campus at Baton Rouge.

Miss Murphy is enrolled in the French section of the eight-week institute.

The language institute is designed to help elementary school teachers improve their language teaching ability through new methods and materials and by strengthening their own foreign language competency.
